Big 4 Reach Agreement On Austria Independence

Soldiers Face Courts-Martial For Aiding Reds

NEW YORK (AP)—Two American soldiers must face courts-martial for alleged pro-Communist activities while Korean War captives.

One is involved in an unprecedented murder charge.

The two are Sgt. James C. Gallagher, 23, of Brooklyn, and Cpl. Harold M. Dunn, 26, of Baldwinsville, N.Y.

The 1st Army announced Wednesday that both men, prisoners in North Korea for almost three years, must answer to charges of collaboration with the enemy and mistreatment and informing on fellow prisoners.

Fellow Prisoners Killed

Gallagher is accused of "murder without premeditation of fellow prisoners of war." The number of alleged victims was not listed in the formal charge.

An Army spokesman said Gallagher and Dunn have been confined in the stockade at Ft. Jay, Governors Island. He gave no details of the alleged crimes. No trial date has been set.

The pair were released during Operation Big Switch at Panmunjom, Korea, in 1953. Both were assigned to duty at Ft. Jay.

An Army spokesman said they had been under investigation for some time because of allegations by fellow prisoners.

After he returned home, Dunn said he voluntarily attended lectures in a prison camp but added that he was not a Communist and "I never will be."

Crowned King Of Fair

"I wanted to get the other side of the picture," he said. "Now I know it isn't so good. Since my return I've found out they did quite a bit of lying."

About six months before his release, he said, abuse from his fellow prisoners stopped and he had "quite a few buddies" among men who consistently refused to listen to the Communist line.

Dunn was crowned king of the New York State Fair at Syracuse Sept. 5, 1953.

At her Brooklyn home Wednesday night, Mrs. Patricia Slee, Gallagher's sister, said her soldier-brother "had never told on anybody in his life." She said the family "cannot believe" the charges.

An Army spokesman said the murder charge against Gallagher was the first such accusation made by the Army against a Korean War ex-POW.

SOO BID ON LEATHER—An invitation on natural cowhide to the Soo Locks Centennial this summer is presented to President Eisenhower at the White House. Looking on as the President examines the invitation are Robert Morse of Chicago, Ill., and Mrs. Helen Dean of Grosse Point Farms, Mich., members of the Soo Locks Centennial commission.

Death Toll Nears 200 In Sinking Of Japanese Ferry

TAKAMATSU, Japan (AP)—Divers brought up dozens of bodies — most of them of schoolchildren—from the cold waters of the inland sea today to raise to 133 the number of corpses recovered from Tuesday's fog-shrouded ferry collision.

Still missing are 60 persons. A total of 775 were rescued, including 51 injured.

Long lines of weeping parents and relatives milled through the incense-choked halls of a temporary morgue here, attempting to identify the young victims who carried no identity papers.

They died when the Shiun Maru sank Tuesday five minutes after it was hit by a second ferry.

Legislators Try To Erase Deficit With New Taxes

LANSING (AP)—A three-pronged attack on an impending state deficit was being fought in the Michigan Legislature today.

Senate Republicans gave their answer, passing a $22,500,000 increase in the business receipts tax on a 20-8 vote. It would increase the rate of levy from four mills to six.

But House Republicans, trying a $30,000,000 boost in the same tax, plus a revision of the computing method, faced a stiff test in the House.

Success depended entirely on the ability of Republicans to stand together. Loss of three votes to the Democrats could spell doom for the proposal.

Republicans won a victory Wednesday on the tax issue, but their one-vote margin left many party leaders gloomy about Republican chances on today's vote.

Whipping members into line at two caucuses, the Republicans defeated a Democratic maneuver to substitute Gov. Williams' corporations profits tax for a Republican-sponsored corporations franchise tax bill. The vote was 45-44.

The corporations profits tax, repeatedly urged on legislators by Gov. Williams, has been bottled up in the general taxation committee.

Postal Pay Raise May Be Cut To 7.6

WASHINGTON (AP)—A quick presidential veto, perhaps by Monday, reportedly awaits a bill to raise postal workers' pay 8.8 per cent. Sen. Carlson (R-Kan) said he is certain the Senate will sustain the veto if it comes.

The Senate passed the compromise measure 66-11 late Wednesday and sent it to President Eisenhower. The House acted Monday 328-66.

The 66-11 tally was far more than enough to override a veto, but Carlson said there would be many switches if and when the question of sustaining the President arises.

Wednesday, 37 Democrats and 29 Republicans supported the compromise. Eleven Republicans voted "No."

Carlson said he would be ready immediately with a 7.6 per cent postal pay bill if the 8.8 per cent measure is killed.

The President has let it be known he would accept an average 7.6 per cent raise, although he originally asked Congress this year for no more than 6.5 per cent.

The present bill would mean a 7 per cent pay hike for all of the half million postal employes, and more than that for most of them. It contains some reclassification features raising pay in the higher brackets by much larger percentages but not the full reclassification asked by the administration.

The annual cost of the compromise would be $179,800,000, about 20 millions more than the cost of 7.6 per cent measure.

Nation Is Free For First Time In Last 17 Years

VIENNA, Austria (AP) — The Big Four reached agreement today on an Austrian independence treaty.

This was reported by informed Western sources in advance of a communique.

The foreign ministers of the United States, Britain, France and the Soviet Union will fly to Vienna this weekend to put their signature on a treaty the Austrians have been wanting for 10 years.

Russia Ends Deadlock

Ratification will mean that Austria will be free and sovereign for the first time in 17 years. Some 70,000 troops of Russia and the West will leave.

Agreement was reached after nine days of difficult negotiations which it was feared earlier today might break down. For the past three days the ambassadors of the four powers had been deadlocked on a Western demand that the Russians put into the treaty economic concessions granted the Austrians during talks in Moscow last month.

Western informants said the Russians finally gave way to the Western demand, thus paving the way for the actual signing.

Signature Assured

Informed sources said the ambassadors decided to make the Soviet concessions an annex to the treaty. The concessions include return of the Zisterdorf oil fields and the Danute Shipping Co. to Austria.

U. S. Ambassador Llewellyn E. Thompson Jr., declared as he left the Allied Control Mission Building, where the secret treaty meetings have been held:

"We are over the hump. The state treaty is practically concluded. I am very satisfied with the results achieved."

Austrian Foreign Minister Leopold Figl said as he left:

"The state treaty will be signed during the next days."

Congress May Give President Standby Controls Of Salk Serum

WASHINGTON (AP)—A move was gaining momentum in Congress today to give President Eisenhower sweeping standby powers to clamp controls over distribution and prices of Salk Polio vaccine.

Rep. Wolcott (R-Mich) said the proposal seems to be a "happy compromise" between contradictory demands for only voluntary guides and for drastic, compulsory and immediate controls.

He said he thought standby powers should be satisfactory to the Eisenhower administration, which has opposed federal controls so far.

Recheck Continues

Wolcott, usually a foe of federal controls, is senior Republican on the House Banking Committee, which is considering a wide variety of vaccine control bills.

Committee Chairman Spence (D-Ky) said standby controls "might well be the best solution," but he was not ready to commit himself yet.

These comments came today while:

1. The Public Health Service continued an on-the-spot recheck of vaccine manufacturing at the Parke, Davis and Co. laboratories in Detroit, the first of five manufacturers to be inspected. Surgeon General Leonard Scheele has called for a halt in the nationwide vaccination of schoolchildren pending these plant-by-plant rechecks.

2. Scheele agreed to go before the Banking Committee Friday to explain the situation further.

Treatment Improved

3. Some House members fired growing criticism at Mrs. Oveta Culp Hobby, secretary of health, eduation and welfare, who has general supervision over the Public Health Service, which Scheele heads.

4. A Public Health Service count showed the number of confirmed polio cases among children already vaccinated has risen to 62, out of an estimated five million children who have received the serum.

5. Parke, Davis and Co. said it has developed what it expects to be an improved version of the vaccine, and is testing it in De Witt County, Ill. It said a new substance has been added to slow down absorption into the blood stream. This should both increase the vaccine's effectiveness and provide a longer period of immunity, a company spokesman said.

Money Bills Get OK In Lansing

LANSING (AP)—The Senate passed $347,166,000 worth of appropriation bills Wednesday night in an action-packed four-hour session.

Making up for a day spent at the Holland Tulip Festival, the Senators labored to within seven minutes of the mandatory midnight deadline for adjournment.

The House will vote this afternoon on 200 million dollars worth of money bills.

The Senate voted to give junior and community colleges their first general fund money for operations —$750,000 in addition to the $1,500,000 they now get from the state school aid fund.

It voted $350,000 for snow removal allowances to northern counties.

Passing a $15,443,000 appropriation for mental hospital operations, the Senate increased the amount for curative drugs from $100,000 to $175,000.

The Senate added $25,000 for an Upper Peninsula branch of the State Library, 150,000 for operation of the Michigan College of Mines' forestry operation on the former Ford Motor Co. Elberta property and set up $500,000 to plan a $1,597,000 civil engineering and geological building at the mining college in place of a proposed new library.

It gave Western Michigan College $125,000 more for an addition to Mc Cracken Hall.

First GM Union Votes On Strike

DETROIT (AP)—CIO United Auto Workers officials watched Framingham, Mass., where members of General Motors Local 422 were to vote on whether they are willing to strike to support contract demands.

The local is the first among units representing 325,000 GM production workers to take a strike vote.

First returns from strike votes among units representing 325,000 GM production workers to take a strike vote.

First returns from strike votes among 140,000 Ford Motor Co. workers gave strong backing to union negotiators. The UAW said workers from Local 862 at Louisville, Ky., voted 1,663 to 28 in favor of a strike if Ford does not meet the union demands.

UAW officials said the strike authorization vote would be taken among 218 other bargaining units representing Ford and GM workers before the end of the month.

A "yes" vote would authorize union leaders to call walkouts any time after the Ford contract with the UAW expires June 1 and the GM pact ends June 7.

Governor Enjoys Street-Scrubbing Stunt At Holland

HOLLAND (AP) — Gov. G. Mennen Williams got down on his hands and knees and joined in the scrubbing of Holland's main street Wednesday.

The scrubbing ceremony signaled the opening of the Holland Tulip Festival.

The governor wore a Dutch costume complete with baggy pants and wooden shoes.

"I'm getting to like this outfit," said the governor, attending the festival for the seventh year. "There's plenty of room in the pants pockets and the wooden shoes are easy on the feet."

Lt. Gov. Philip A. Hart, also sporting a Dutch costume, was a little self-conscious at first. He also wielded a broom in the scrubbing squad.

There were 300 scrubbers in the van of the parade. Some carried pails of water on a yoke held over the shoulders, as they used to in the old country, and others pushed brooms to slush the water over the blacktop.

Margaret To Quiz Trumans On TV

NEW YORK (AP)—Former President Harry S. Truman and his wife will be interviewed on television Friday night, May 27, by their daughter Margaret. The Trumans will appear on the Person to Person program, CBS network announced Wednesday. Miss Truman will take the place of Ed Murrow, the regular conductor, who will be in England at that time.

Steel Workers Go After Raise

PITTSBURGH (AP) — The CIO United Steelworkers mapped strategy today for a fight to secure a "substantial wage increase" in unprecedented simultaneous negotiations with six major steel producers.

The union's 170-member Wage Policy Committee approved the "substantial" boost demand of USW President David J. McDonald Wednesday. McDonald declined to reveal the exact amount. Steelworkers now average $2.33 an hour.

The union has some 600,000 members in basic steel plants, and as many more in steel fabricating firms.

For the first time, talks will be held with six major steel firms concurrently. Bargaining with U.S. Steel Corp. is scheduled to begin June 7. McDonald said five other companies will start negotiations in Pittsburgh immediately afterward.

Until now, talks with the other big companies were kept on a standby basis while the USW negotiated with U.S. Steel. The settlement with Big Steel usually set the pace for the other producers.

This year, talks will be held with Bethlehem Steel Corp., Republic Steel Corp., Jones & Laughlin Steel Corp., Inland Steel Co. and Youngstown Sheet and Tube Co., in addition to U.S. Steel.

Korean Reds Charge Armistice Violation

PANMUNJOM, Korea (AP)—The Communists today offered the bodies of six Asian soldiers and said they were evidence of an armistice violation by an Allied patrol.

The United Nations refused to accept the bodies. U.N. officials accused the Communists of "manufacturing the evidence." They said the Korean Reds were trying to prove an armistice violation that never occurred.

Bodies Mutilated

The Communists said the six men were killed last week when a patrol tried to cross into North Korea.

A U.N. official said the bodies were so mutiliated it was impossible to determine whether they were Korean or Chinese.

The U.N. also refused to accept a Korean, produced by the Communists, who said he was the only surviving member of the patrol and had been captured by the Reds.

The U.N. denied a Communist charge that the patrol had been sent into Red territory on a spy mission.

Weapons Produced

It refused to accept either the bodies or the "captured" Korean because there "is no proof whatsoever that they were United Nations personnel."

The Communists accused the U.N. of violating the armistice by sending a patrol of South Koreans into Red territory. The Reds said the six men were killed and one captured May 7 when the "intruders" were ambushed by a Communist patrol, which hurled grenades into its center.

The Communists also displayed U.S. carbines, pistols and grenades which they said had been found on the slain patrol.

Backing Assured To Premier Diem

PARIS (AP)— The United States, France and Britain were reported united today in backing embattled Premier Ngo Dinh Diem as head of the South Viet Nam government. They apparently gave Chief of State Bao Dai a new but possibly short lease on his job.

Soon after the accord was disclosed here, a complication arose. Saigon dispatches said Diem is asking France either to group its expeditionary corps in South Viet Nam at the 17th parallel or withdraw it from the country.

The 17th parallel marks the boundary between South Viet Nam and the northern territory turned over to the Communist-led Vietminh under last year's Geneva armistice. The French force of some 80,000 men nos is based chiefly in the Saigon area, at Tourane in central Viet Nam and s based chiefly in the Saigon area, at Tourane in central Viet Nam and at Cap St. Jacques, on the coast southeast of the capital city.

The United States, France and Britain reportedly had agreed Wednesday night that the French troops should be brought home as the training of the Vietnamese national army progressed.

Right-To-Work Bill Condemned

DETROIT (AP) — A Republican state senator has joined Gov. Williams in condemning so-called right-to-work legislation now pending in the State Legislature.

Sen. Donald E. Smith, Owosso Republican, told the Michigan Federation of Labor convention Wednesday that legislation outlawing closed shops "would set the clock back 20 to 25 years."

"The right-to-work bill does not express the majority of the Republicans in the Legislature," he said.

Williams, in an earlier speech, charged Republicans with an attemp to push "union busting laws" through the Legislature. He declared:

"It is highly significant that the decision to integrate the AFL and the CIO has been accompanied by a renewed and desperate drive to push union busting laws through the legislatures of the States."

Candle Fire Kills Four Little Boys

LOS ANGELES (AP)—Four small boys were burned to death Wednesday night by a fire that swept through their second-story garage apartment, police reported.

Investigators said they believed the blaze was started by a candle. The small apartment had been without electricity for two months because of the family's shortage of funds.

The boys' 10-year-old half-sister Margie Davenport, who had been caring for the children while the parents attended a movie, was seriously burned on the hands. She was rescued from the apartment by a neighbor, Wilbur Hamilton, 22, who climbed a tree and kicked out a window. Efforts to rescue the boys failed.

The four, sons of Mr. and Mrs. Leroy Franklin, were identified as Leroy Jr., 4, Billy Ray, 3, Lewis Lee, 2, and Michael, 4 months.

The half-sister sobbed to the grief-stricken parents that she had lighted a candle to find a diaper for the baby. She said the flame brushed some rags but she poured glasses of water on the burn and thought it was out. She said she was awakened a short time later by the baby's screams and found the apartment filled with smoke and flames.

Sleep In Freezer

SEATTLE (AP)—Mountain climbers Dick McGowan and Fred Beckey slept for seven hours in a cold storage locker at 26 below zero with fans whipping up a 30 m.p.h. They were testing sleeping bags they plan to use next fall in climbing a Himalayan peak. "It would have been just like home," said McGowan, "except for the smell of fish."

State Officials Raised To $18,000

LANSING (AP)—The Senate voted $18,000-a-year salaries for two state officials Wednesday and said this probably should be the pattern for other elective officials.

The chamber overrode its appropriations committee in voting $18,000 to Dr. Albert E. Heustis, state health commissioner. He now gets $12,500.

It also voted to give Dr. Clair L. Taylor, state superintendent of public instruction, a boost from $12,000 to $18,000.

Sen. Edward Hutchinson (R-Fennville) said that the pay raise for Dr. Taylor was being proposed now because his new term will start July 1. The constitution forbids raising elective officials' salaries during a term.

Sarnia Gets Ready

SARNIA, Ont. (AP)—An expansion program to accomodate larger vessels is under way at the Port of Sarnia. Dredging that will take from six weeks to four months was started Wednesday.

Vice To Go On Honor System Under New Galveston Mayor

GALVESTON, Tex. (AP)—This Island resort city's mayor-elect says gambling and prostitution are here to stay and that "the boys will be reasonable."

The mayor-to-be is George Roy Clough, 64. He talked freely with reporters Wednesday about his plans after next Tuesday, the day he takes office.

Clough, a radio station KLUF owner and operator, said he would call a meeting within 30 days of all Galveston's gambling bosses, including the Maceo syndicate chiefs, "because I think they are the cleanest operators in town."

Bawdy District Planned

Purpose of the meeting, he said, will be to set up a system of self-government for the gamblers. "I believe it's possible to put these fellows on their honor," Clough said. "I've found most of them trustworthy—and they pay their bills a hell of a lot better than some of their critics."

Clough called his plans a "sort of reform program." He added that he wants "the prostitutes out of the downtown hotels and back in the district." Reopening of post office street, Galveston's almost legendary bawdyhouse district, is on the agenda, he said.

"There have been prostitutes since the days of Christ," he said. He added that Christ tried to stop prostitution but couldn't, "so why should I try?"

Too Much Payoff

Clough told reporters he believes slot machines are undesirable but that he has no objection to dice, cards and roulette because, "generally speaking, they are operated by reliable persons." Operators of policy games, tip boards and bingo, he opined, would be reasonable.

Clough Tuesday was elected mayor on a vote of 6,406 to 5,649 for Mayor Herbert Y. Cartwright Jr., who was seeking a fifth two-year term. During the campaign Clough charged that "the gambling payoff exists and is widespread."

"This town has too much payoff," Clough said. "If you take money from gamblers and prostitutes you don't regulate them—they regulate you."

Asked what he thought would happen when he took office and put his policies into effect, Clough answered:

"When you cut off his milk, a calf will learn to eat grass."

TODAY'S CHUCKLE

A small boy spat out a mouthful of too-hot food, then looked up to see all eyes at the table focused upon him. Calmly he observed: "I know some fools who would have swallowed that."

Fliers Attacked By 32 Red Migs

KUNSAN Korea (AP)—A U.S. Air Force squadron commander said today there were at least 32 Red Chinese MIGs in the Yellow Sea area where his flight of eight Sabre Jets was attacked Tuesday.

Lt. Col. Robert E. Dawson of Dayton, Ohio, told a news conference that half of the Russian-built jets flew protective cover for the attacking Communist planes.

Dawson related details of the eight-minute air scrap in which U.S. fliers shot down two MIGs and probably bagged two others.

The Air Force said all U.S. Sabres returned without a scratch.

Gen. Maxwell D. Taylor, United Nations commander in chief, ordered a strong protest before the Military Armistice Commission against "the hostile and illegal attack" by the MIGs.

Taylor sent the instructions to Maj. Gen. Harlan C. Parks, senior U.N. member of the commission.

Dawson declared:

"It was impossible for us to make a hostile act towards them . . . They were far above us.

"There was no damage sustained at all by us. However, three different pilots said they were fired upon."

The Red China radio said one Sabre was shot down and two damaged.

Will Honor Potter

HILLSDALE (AP)—Sen. Charles E. Potter (R-Mich) will deliver the commencement address at Hillsdale College June 5. Potter will receive an honorary degree from the school.

Beats Wife; Crashes

COLDWATER (AP)—Police say Andrew Wilkins, 45, a Coldwater farmer, tried beating his wife and driving his car at the same time. The car crashed into a tree. Neither Wilkins nor his wife, Ruth, 43, was hurt. But he was charged with felonious assault.

Weather

Reported by U. S. Weather Bureau

UPPER MICHIGAN: Partly cloudy and a little warmer with widely scattered showers tonight. Friday cloudy with showers. . . . .

ESCANABA AND VICINITY: Partly cloudy tonight with chance for local showers; low tonight 45°. Friday considerable cloudiness with showers; high Friday ranging from 55° to 60° near the lake shore to 75° a short distance inland. Southeasterly winds 8 to 15 mph tonight and 12 to 18 mph Friday.

Industrial Board Meeting Friday

Friday the 13th is generally regarded as an unlucky day, but it has been selected by the Upper Peninsula Industrial Board for a meeting in Escanaba tomorrow at the Delta Hotel to decide whether to go ahead with a program designed to develop the Peninsula's economy.

The Industrial Board, a group of 25 men appointed at the last meeting of the Uper Peninsula Development Bureau and representing all 15 U. P. counties, will decide whether the time is ripe for launching a special industrial promotion effort. All that is lacking, after nearly a decade of planning, discussing, surveying, analyzing and thinking on the part of the Peninsula's leaders, is financial support.

Individuals, organizations, the downstate press, Ebasco Services, Inc., and the Society of Industrial Realtors all have envisioned a brighter outlook for this section of Michigan if, through organized effort, it takes steps to encourage the growth of small industry within the region and to attract industry from outside to locate here.

As the U. P. Industrial Board would set up this new industrial development division, it would be under the supervision, and a part of, the Upper Peninsula Development Bureau's program. There is no intent to lessen any of the Bureau's present program in building resort and travel income for the Peninsula.

Upper Peninsula progress, dramatized by such major projects as the Mackinac Bridge, the peninsula's first oil pipeline, mining developments, growing wood production and general prosperity, have made the time ideal for launching the Upper Peninsula's industrial program, the Industrial Board believes, and it will present its plan here tomorrow.

Huge Dredging Project Planned By Inland Steel

P. D Block Jr., vice president of Inland Steel Company, announced today the start of a five-year dredging project which will precede actual mining of iron ore from the company's ore property near Atikokan in western Ontario.

Two giant dredges, assembled at the site by Construction Aggregates Corporation and to be operated by that Chicago firm as contractor for the steel company, will run night and day until some time in 1960, removing an estimated 160,000,000 cubic yards of glacial silt overlying the ore at the bottom of the Falls Bay arm of Steep Rock Lake.

Both open-pit and shaft mining will be done at the property, Block disclosed today. Driving of the shaft is scheduled to start in three years. When in full operation about 1969, the mine is expected to produce 3,000,000 tons or more annually of high grade iron ore.

The dredging project to expose the ore is said to be the biggest operation of the type ever undertaken. The two dredges are the most powerful ever built. They each house pumps driven by 10,000 horsepower electric motors and two other pumps of comparable size on each line means a total of 60,000 horsepower will be used, moving water and silt an extreme distance of five miles and as high as 900 feet.

The water will be removed and returned to the lake 12 times, it is estimated, to provide the vehicle for carrying off the silt.

World Briefs

LONDON (AP) — Striking tugmen along the Mersey River waterfront have voted to return to work today, ending a seven-day walkout that has paralyzed the port of Liverpool. Negotiations on their demands for higher pay and shorter working hours will continue.

SHIMODA, Japan (AP)—Japanese naval technicians today disposed of a floating mine that washed ashore 80 miles south of Tokyo.

CAIRO (AP)—The Egyptian frontier corps today reported the seizure of an estimated three million dollars worth—2½ tons—of hashish and opium from a desert caravan east of Suez. An official of the corps said it was the Egyptian government's biggest dope haul of the century.

MEXICO CITY (AP) — The new Central American Express was derailed Wednesday for the second time in nine days. One person was reported killed and 30 injured in the accident near Juchitan, Oaxaca.

LONDON (AP)—Britain set up a committee today to promote closer cultural relations between Britain and Russia. The Foreign Office said Prime Minister Eden's Conservative government had organized the committee "in pursuance of the policy of promoting good relations."

Philip Farkas

Ralph Johnson

NOTED ARTISTS TO APPEAR—Philip Farkas, outstanding French horn player, and Ralph Johnson, one of the country's noted flutists, both members of the Chicago Symphony Orchestra, will appear Saturday, May 14, in an 8 p. m. concert with the Chicago Symphony Woodwind Quartet at the William W. Oliver Auditorium. During the afternoon at 3 p. m., they will conduct a Woodwind Clinic, an informal question-and-answer period during which students and other musicians are instructed by the Quintet.

Mrs. Girard, 89, Spalding, Dies

Mrs. Elizabeth Girard, 89, well known Spalding resident, died last evening at 10:15 at St. Francis Hospital. She had been an invalid for the past 20 years.

Mrs. Girard was born in Ontonagon Feb. 19, 1866. She lived in Norway, Mich., as a young girl and later moved to Spalding with her family. She was married July 14, 1885 in St. Francis Xavier Church, Spalding, to Dr. Charles Girard. He died June 1, 1928.

The Girard family came to Escanaba from Spalding in 1887 and lived here until August 1916 when they returned to Spalding.

Mrs. Girard was a member of St. Anne's Altar Society, St. Francis Xavier Church, and the Woman's Catholic Order of Foresters. She was very active in the Foresters and organized courts at Manistique, Powers and Escanaba. She was president of the Cloverland Association of the Foresters.

She was also a past president of the Powers-Spalding PTA and a former member of the board of education in Powers-Spalding School District.

Surviving are the following sons and daughters: Mrs. Elizabeth Houser, Grand Rapids; Charles Girard, Chicago; Sister Mary Paschaline (SSND), the former Josephine Girard, Mount Mary College, Milwaukee; Mary J. Girard, Spalding; Mrs. Frances Weigand, Stephenson; and Joseph Girard, Cleveland. A brother, Walter Gagherer, Grand Rapids; seven grandchildren and seven great grandchildren also survive.

The body will lie in state at the Allo Funeral Home, Escanaba, beginning at 2 p. m. Friday and the Rosary will be recited at the funeral home Friday evening at 8:30. Funeral services will be held Saturday morning at 9:30 (CDST) at St. Francis Xavier Church, Spalding. Rev. Fr. Walter Franzek will officiate and interment will be made in Holy Cross Cemetery, Escanaba.

Motorist Fined For Intoxicated Driving

Joseph J. Charles, 45, of Cornell Rte. 1, today pleaded guilty in Justice Henry Ranguette's court to a charge of driving while under the influence of intoxicants and was ordered to pay a fine of $50 and costs of $5. His operator's license was revoked.

Escanaba police arrested Charles at 3 p.m. Wednesday in the 1000 block, 1st Ave. N., after attention of the officer was attracted by Charles' erratic driving.

Dr. Guy H. Hill Will Give Address At Commencement

STEPHENSON—Dr. Guy H. Hill, Professor of Education and Director of the Office of High School Cooperation, Michigan State College, will be the principal speaker at the Stephenson High School commencement exercises Thursday, May 26 in the school gymnasium.

Dr. Hill is a southerner by birth, but a mid-westerner by adoption. His boyhood and youth were spent in North and South Carolina where he earned his bachelor's and master's degrees. His profession, namely, teaching and school administration, was also begun in the Carolinas where he taught and administered school for the first fourteen years after graduation from college.

On a General Education Board fellowship to the University of Michigan he completed his residence work for the doctorate in 1931.

Since 1936, Dr. Hill has been devoting his time and energies to teaching, speaking and promoting wholesome public relations at Michigan State College. He has worked with professional, industrial, business, religious and educational organizations all over Michigan and in other states. His work with youth, parent-teacher organizations, civic clubs and business and industrial organizations have provided a wealth of experience and friendship which few educators have enjoyed.

His ability to see the humorous side of life and to pass his stories and experiences on to others has brought so many demands for his services that he is today unable to fulfill them.

Blast Postponed

LAS VEGAS, Nev. (AP) — The Atomic Energy Commission today again postponed its final nuclear blast of the 1955 series in Nevada shortly before the shot was to go at 5 a.m. (PDT).

Ships To Stop On Five Cruises

Escanaba will be a cruise stop five times this season for the S. S. South American and S. S. North American of the Chicago, Duluth & Georgian Bay Transit Company, according to information received by City Manager A. V. Aronson.

The city manager has been advised of the arrival dates and times of the cruise ships and has informed officials of the steamship company that the city will have workmen at Municipal Dock to handle mooring lines.

Two of the five cruises will bring to Escanaba nearly one thousand members of Medinah Temple Shriners, and another cruise ship arrival is scheduled for Labor Day. The schedule is as follows:

S. S. South American

June 7, Tuesday — 10 a. m., to noon.

June 15, Wednesday — 10 a. m., to noon.

Sept. 15, Thursday — 2-5 p. m.

S. S. North American

Sept. 5, Monday — (Labor Day) 9:30 to 11 a. m.

Sept. 12, Monday — 2-5 p. m.

EYC Boatsmanship Classes End With Sailing Practice

The final class in a series of eight on approved methods of boatsmanship was held last evening at the Escanaba Yacht Clubhouse, preceded by a demonstration sail race with prams in the yacht basin. The classes are sponsored by the Yacht Club for young people.

Skippers in last night's demonstration said race were Ray Walsh and David Johnson; Russ Johnson, assisted by Brian Wood, was judge and timekeeper; and others adults assisting were Robert Calouette, Roy Swanson, Dr. Leonard Vader and John Walch.

After the demonstration the class discussed tactics, rules, and so forth, employed in the race. Other class work included the study of questions on boatmanship and discussion conducted by Dr. Vader.

A tentative date was set for on-the-water instruction later in the season, and before the end of May the students who qualify will receive Boatsmanship certificates for completing the course.

More people get more news from newspapers than from all other sources combined.

Episcopal Diocese Plans Convention In Iron Mountain

Approximately 75 lay delegates and clergy from all parts of the Upper Peninsula will attend the 60th annual convention of the Episcopal Diocese of Northern Michigan to be held at Holy Trinity Church, Iron Mountain, Monday and Tuesday, May 16 and 17.

Delegates from nine parishes and 12 missions will attend, it was reported by the Rt. Rev. Herman R. Page, of Menominee, Bishop of the Diocese.

Principal items of business on the agenda are presentation of a proposed Canonical change regarding the formal establishment of the Diocesan Cathedral in Menominee and election of delegates to the church's General Convention in Honolulu, Oahu, Hawaii. Four clergy and four laymen will be named delegates.

The cathedral center was awarded to Grace Church, Menominee, at the special convention at Little Lake Oct. 12, 1954, but the proposed Canon must be adopted by the coming convention to make the action official.

Opening service of the convention will start at 7:30 a. m., EST. Bishop Page will deliver his annual address to the Diocese at this service.

Each parish is authorized to name three delegates and three alternate delegates and each mission may name one delegate and one alternate.

"We want to stress, however, that all members of the church, in fact all visitors, are welcome to attend the convention whether officially named as a delegate or not," Bishop Page said.

The head of the Diocese moved from his home in Marquette to 1505 First Street, Menominee, in mid-March. The Cathedral office address in Menominee is 922 Tenth Ave.

Police Hunt AWOLs

DETROIT (AP)—Detroit police, at the request of Army authorities, are joining military police in a search for more than 100 AWOL soldiers reported hiding out in the Detroit area.

Briefly Told

Fire Call — Escanaba firemen were called to the residence of Mrs. Ruby Dahm, 213 N. 9th St., at 2:05 a. m. today where a space heater overheated. There was no damage.

Bitten By Dog — Jeffrey Arnold, 6, son of Mr. and Mrs. J. R. Arnold of 1200 8th Ave. S., yesterday was bitten on the right leg by a dog owned by Rod Kittner, 1219 9th Ave. S., it was reported to police. The owner was ordered to keep the animal confined for 10 days for rabies observation.

Motorists Ticketed — Escanaba police have issued traffic violation tickets to the following motorists: Lowell M. Mattson, Escanaba, speeding; Huber F. Everett Jr., Escanaba Rte. 1, disobeying stop sign; Daniel Searles, 1714 Lake Shore Drive, disobeying traffic signal; and James P. Kearns, Bark River, following too closely and failure to stop in assured clear distance ahead. The car operated by Kearns rammed a trailer pulled by a car driven by Harry J. Gruber, 321 S. 6th St., damaging the trailer and rear bumper. The accident occurred yesterday afternoon in the 1400 block, Washington Ave.

Personals

Dr. Gerald F. Brown of Anamosa, Iowa, is visiting at the home of his mother, Mrs. George W. Brown, 602 S. 8th St., and with his brother-in-law and sister, Mr. and Mrs. Wheaton Strom, 317 S. 6th St.

Seniors To Give Peninsula Pageant

STEPHENSON— Class Night activities for the graduating class of 1955 of Stephenson High will feature a pageant on the development of the Upper Peninsula. The pageant is written and planned by the seniors.

The narration will be given by the class valedictorian and salutatorian. Scenes will be enacted by other class members. The pageant will include the areas of history, lumbering, farming, mining, transportation, religion and education.

The pageant will involve the entire senior class of 119 members and will be given Tuesday, May 24 at 8 p. m. in the Stephenson high school gymnasium. The general public is invited.

Car Carries Eight To Death In Canal

MONTERREY, Mexico (AP)—Eight members of the Mexican family from Fresno, Calif., were killed Wednesday when their car hurtled into a canal near here. They were returning home from a Mother's Day visit in Mexico.

The only survivor was the father, Ramiro G. Lozano, who was driving the car. Most victims drowned.

Lozano told officials he lost control of the car when his wife, nervous because of the speed, grabbed him.

MSC's Educational Role Cited On Founders' Day

Michigan State College's century of service in the field of higher education was reviewed last night by Prof. Paul D. Bagwell, East Lansing, of the MSC faculty, at a Founders' Day meeting of MSC alumni of Delta, Menominee and Schoolcraft Counties.

Harry Buchman of Rapid River, Alumni Club president, presented the speakers and presided at a brief business meeting of the organization. A social hour and smorgasbord followed the program.

Robert Toll, assistant alumni director at Michigan State College, reported on current affairs on the campus.

PAUL D. BAGWELL

Expanding Service

Founded in 1855 as a land grant college which opened the doorway of education to rural youth, Michigan State College through the years developed an expanding program of educational service.

When it opened a century ago, MSC comprised three buildings on 650 acres of land about eight miles from the state capital, Prof. Bagwell said. Now it has grown into one of the leading educational institutions in the nation, with an enrollment of 15,500 students and a continuing education program of short courses attended by additional thousands of persons.

Considered "revolutionary" in its early years because it provided educational opportunities for everyone, MSC developed a program that is assisting to meet the national demand for people with skilled and professional training, Prof. Bagwell noted.

Equality In Education

As Michigan State University—a name change to become effective July 1—the college will assume its role among those institutions of higher learning that are meeting the national challenge to train more young people.

Prof. Bagwell referred to the historical factors connecting the MSC program of equality of opportunity for education with statements of George Washington, Abraham Lincoln and Benjamin Franklin that America's need is for wider distribution of educational opportunity.

The challenge of yesterday has become the accomplishment of today—and Michigan State College now stands prepared to meet its obligation of the present and the future, said the speaker.

On MSC Faculty

Prof. Bagwell is head of the department of communication skills in MSC's basic college. He first joined the staff in 1938 as an instructor in speech, dramatics and radio education. He received two bachelor's degrees from the University of Akron, Ohio, and a master's degree from the University of Wisconsin.

During the 1948-49 school year, Prof. Bagwell served as president of the U. S. Junior Chamber of Commerce; in 1950 he was named "Outstanding Citizen of the Year" by the Veterans of Foreign Wars Auxiliaries; and has been cited and recognized for numerous activities in the interest of the nation and humanity.

In recent years he has taught and directed an executive program for the Ford Motor Company and the Michigan Farm Bureau. He helped evaluate and reorganize the Communication Bloc of Instruction for the USAF-ROTC at Maxwell Field.

Rock Junior Class Is Entertaining At Annual Dance

ROCK—Students of the Junior Class of Rock High School are busy making preparations for the annual commencement dance which will be given in honor of the seniors Saturday night, May 14, at the Rock High School. Chet Marrier will furnish music for dancing and a vocalist will be also featured with the band. Dancing will be from 9 to 1.

Decorations will be in the theme, "Down by the Old Mill Stream." Committees are: special decorating, Bonnie Kanerva, chairman, Sharon Sayen, Diane Jacks, Joyce Aalto, Gloria Franklin, Joyce Perkins, Rachel Underwood and Verna Norman; Boys Shop committee, David Koski, chairman Jack Lund, Ralph Anderson, Ronnie Hill, Vernon Norman and Richard Seger.

Chaperones for the dance will be four couples of the junior class members and several faculty members. One does not need an escort to attend and the public is cordially invited. The party is informal.

Rules which have been drawn up and are expected to be complied by are as follows:

1. No smoking will be allowed in the building.
2. No intoxicating beverages will be allowed and no person who has indulged in liquor will be allowed to attend.
3. Students coming to the dance will not be permitted to leave the building and re-enter later.

Sewing Club

The West Rock Sewing club met at the home of Mrs. Reino Niemela Tuesday evening. Next week's hostess will be Mrs. Arvo Johnson.

Stephenson Plans Independence Day Historical Pageant

STEPHENSON—The citizens of Stephenson township will present a historical pageant Sunday, July 3 as part of the July 4 celebration.

Approximately 125 persons will take part depicting the social life of many nationalities.

The feature attraction will be presented by native Indians, Princess Lelawala and Chief Oniquid and their troup from Ashland, Wis. An Italian troup from Iron Mountain directed by Mrs. Albert J. Wilke will feature Italian dances in native costume.

Local citizens will feature the social life of several nationalities. The chairmen of the nationality groups are as follows:

Hungarian, Alex Horvath; Belgian, Mrs. William Hoida; Swedish, Elving Thorpe; French, Henry DeMille and Frank Hood; German, Mrs. Carl Johnson; American, Joseph Gucky.

The Desjarlais Orchestra will furnish the music for the pageant. Joseph B. Gucky local superintendent of schools is general chairman of the community pageant. The pageant is part of the 4th of July celebration which is sponsored by the Stephenson American Legion Post with Byron Hanson as commander and chairman.

TAHITI ON THE MOVE

PAPEETE, Tahiti (AP)—Who says Tahiti is a nice, remote, off-the-beaten path place to lose oneself in quiet bliss? A count of the motor vehicles passing along the water front during 12 hours totalled 1,837!

Wells Girl, 6, Struck By Car

Mary Larson, 6, daughter of Mr. and Mrs. Robert Larson, Wells, escaped serious injury yesterday afternoon when she was struck by a car driven by Mrs. Dorothy Wescott, Electric Ave., Wells. The accident occured on A Street, Wells, at 3:35 p.m.

Mrs. Wescott was driving slowly west on A Street when the child started across the highway in front of the automobile. Mrs. Wescott braked the car but the child was knocked down. An examination revealed only minor bruises.

Sheriff Miron and Undersheriff Cully Johnson investigated the accident.

Holy Name High Service Groups Hold Joint Meet

The three service organizations of Holy Name High Schoo', Mothers Club, Fathers Club and Booster Club, met for their monthly meeting this week.

After separate meetings of the three organizations, the three groups met in the school's multi-purpose room to discuss activities for the welfare of Holy Name High School students and for the assistance of the school.

Among the business matters discussed by the groups was the joint sponsorship of the Skerbeck shows. The final plans were made for carnival week, May 17 through May 22. General chairmen of the event are the three organization presidents, Mrs. Denis McGinn, Mothers' Club; A. D. LaBranche, Fathers' Club, and Elmer Bonifas, Booster Club.

The Mothers' Club will be in charge of ticket distribution and concessions; the Booster Club will handle the sale of tickets and at the show, and the Fathers' Club will sponsor the dance Thursday, May 19, featuring Cousin Fuzzy.

Other business included the planning for the annual activities banquet, sponsored by all three groups. Mrs. Robert Hughes was appointed chairman of the event, which will honor all students of Holy Name High School who have participated in any school activity. The banquet will take place May 24 at 6:30 p. m. in the multi-purpose room.

Preliminary plans were also made for the annual Booster Club picnic to be held at Pioneer Trail Park July 4.

Registration At Stephenson May 18

STEPHENSON — Kindergarten children who plan to enroll the Stephenson School in September will be registered and examined Wednesday, May 18 at 9 a. m.

Children who are enrolled must be 5 on or before Dec. 1. Dr. William C. Harrison from the Delta-Menominee Health Unit will give each child a physical examination. Parents are urged to accompany the children. Registration will be in the Methodist Community House.

RECEIVES SCHOLARSHIP — Miss Marlene Piontek, daughter of Max Piontek of Bark River and a senior at Bark River-Harris High School, has been awarded a State Board of Education scholarship to Northern Michigan College of Education. Marlene, who plans to enroll in the fall as an early elementary major, has maintained a high scholastic average during her four years of high school.

Combined 4-H Clubs Organize

PINE RIDGE — A combined meeting of 4-H dairy, vegetable and flower garden and potato garden clubs was held recently at Pine Ridge and the clubs were organized into one group.

William Sharon was elected president of the combined groups, while vice-president is Roy Sundquist, secretary-treasurer is Barbara Herbst and recreation leader is Lois Mocine.

The club will meet every two weeks with its junior leader, Clinton Sundquist.

Al Lord Will Head Jaycees

Al Lord was elected president of the Junior Chamber of Commerce at a dinner meeting of the organization last night at the Dells Supper Club.

Other officers elected for the ensuing year are William Servant, vice president; Robert Fontaine, secretary; Harold Krusic, treasurer; Martin Hook, Larry Stein, Bill Meiers, John Arnold, John Pearson Harold Cloutier, Jack Meyers, John Manning, board of directors.

William Servant presented a report on the J-C Home Show held recently. The annual outing of the organization will be held next month at the Volley Ball Club and new officers will be installed at that time.

Ernest La Fave won the attendance prize at the meeting last night.

It was announced that the date for the Teen-Age Road-e-o has been changed to May 28 to avoid conflict with a school date.

High-grade asbestos fibers can be spun and woven almost as well as silk or cotton.

Casual summer fashions in easy-to-care-for fabrics are outstanding features of our new Midsummer Sale Book. Misses' dresses, shorts and blouses, men's and boys' slacks and shirts and girls' playwear have been specially purchased or greatly reduced to give you quality at unusually low prices.

There are values in summer furniture, garden supplies, auto accessories and sporting goods too. Get a free copy of this book at Wards today. Then, to order, call our direct line phone number. Everything in our Catalogs is available on Wards Monthly Payment Plan.

'Water Wonderland' Irks Paw Paw Man

KALAMAZZOO (AP)—Lee H. McDonald, 39, Paw Paw, objects to the state compelling him to advertise Michigan as the "Water Wonderland." So McDonald says he is going to appeal his conviction of defacing an auto license tag.

McDonald pasted brown tape over the bottom of his tag to blot out "Water Wonderland." A six-member Municipal Court jury convicted him Monday of defacing the tag. He was fined $1 and assessed $18 in costs.

Acting as his own attorney, McDonald said he didn't object to the state advertising itself, but he didn't like "compulsory advertising." He also said the law prohibited anyone from attaching advertising to a license plate.

William Culver, assistant prosecutor, took the position that the "Water Wonderland" slogan wasn't attached to the tag, but was a part of it.

STARTING YOUNG — Three-and-a-half-year-old Earl Welton prefers smoking a good cigar three times a day to eating candy. At least, that's what the Bethalto, Ill., youngster's mother says. She says she taught him to smoke as a stunt, but now complains that the stunt has become a habit and is embarrassing in public.

Steel Mills Busy; Scrap Prices Drop

NEW YORK (AP)—Scrap steel prices have slipped from their lofty perch—and a few years back such a drop would have been looked upon as foretelling a decline in steel production.

Copper prices in London have taken an even sharper tumble—and that could foreshadow an easing of the tight supply here.

Prices of aluminum and lead scrap also have turned soft.

No Barometer

But, in the face of all these factors that once would have been considered a barometer of easing production, metalmen here seem as optimistic as ever over the bright prospects for all of 1955 in the metalworking industries.

Steel mill schedules are holding at record levels. Steelmen say scrap prices aren't a barometer this time. They have been easing because supplies of scrap have increased. Also, many steel mills are using more iron in their mix and less scrap.

Makers of steel, conning their order books, see no letup in demand and production for some time ahead—barring labor trouble.

Copper producers admit that the sharp drop in the price at London—where Rhodesian metal can now be bought for one cent a pound less than here—will tend in time to ease the shortage in the United States, and thus may foretell lower prices later. Copper now sells at 36 cents a pound, 6 cents higher than at the start of the year.

Stockpiling Helps

Chile is expected to be less interested in selling its copper in Europe from now on. With more of the metal flowing toward the United States, users of copper will be less inclined to try to build up stocks. Scrap prices have already eased here by about four cents a pound.

But there is no sign yet of a lessening in the bid demand for the metal here.

Aluminum production is continuing at a record pace. The demand is helped by military aircraft output—and also by the high price of copper, a rival in some fields. Aluminum demand is still so high that there has been a tight supply situation. Producers say that a drop in imports is partly to blame, while the government's stockpile continues to take sizable amounts.

Stockpiling has bolstered the prices of lead and zinc, too. The government has just pledged to continue buying the metals, which all but guarantees a price floor for them.

Classified Ads cost little but do a big job

SAVES SHOWERS

Bermuda has no streams or underground stores of fresh water, so rain water for drinking and washing must be caught on rooftops and collected in reservoirs.

Cleans Carpets, Rugs, Furniture; Leaves Like New

Blue Lustre, a gentle foam cleaner, works equally well on wall-to-wall carpeting, fine Oriental rugs or upholstery.

That's because Blue Lustre brushes into the fabric without sogging or matting it, and removes the dirt without harsh action. What's more, it doesn't leave behind any oily or gummy substance. The foam disappears like soap bubbles blown into the air.

You can clean your furnishings simply, easily and cheaply with Blue Lustre. A half-gallon of concentrate will clean three 9 x 12 rugs.

Former Local Dentist Dies

Dr. Thomas A. Desilets, 59, of Sacramento, Calif., member of a widely known Escanaba family, died unexpectedly at his home, 2219 Marconi Ave., Wednesday night.

Dr. Desilets, who practiced dentistry here a number of years, was born in Escanaba March 7, 1896. He attended St. Anne's School and Escanaba High School and following his graduation entered Marquette University in Milwaukee where he received his degree.

He practiced in East End, Sask., Canada, and in Iron Mountain before establishing his practice in Escanaba. He moved to California eight years ago.

He was a former member of the Delta County Dental Association, the Upper Peninsula Dental Association, Lions Club, Elks Lodge and Escanaba Golf and Country Club. While here he worshipped at St. Anne's Church.

Surviving are his wife, the former Edith MacLean, two sons, David and Donald, and eight brothers and sisters, Mrs. Angeline LaHaie, Conrad L. Desilets, Ernest L. Desilets, and Ben J. Desilets, Escanaba, Hubert Desilets and Mrs. J. L. Murphy, Calgary, Alberta, Canada, Paul Desilets of Denver, Colo., and Mrs. Alma Adamson, Milwaukee.

Funeral arrangements are incomplete.

Marathon Sells Five U. P. Supply Yards

IRON RIVER — Purchase of Cloverland Supply Company building material yards at Iron River, Crystal Falls, Amasa and Norway, by the Caspian Lumber & Coal Company has been announced by Victor Schinella and Dominic Hebert, partners in the Caspian firm.

They purchased the four yards from the Marathon Corp. of Menasha, Wis., which is retiring from the retail field. Marathon is retaining its pulpwood holdings in this vicinity.

Andrew Hendrickson, general manager of the Cloverland chain, said he was buying the Cloverland supply yard at Mass in Ontonagon County.

Dr. Thomas A. Desilets

Dr. Sullivan To Be Candidate

Dr. M. L. Sullivan, Escanaba dentist, has become the fourth candidate for the Escanaba Board of Education. Nominating petitions for Dr. Sullivan were filed today at the office of the secretary of the Board of Education.

Dr. Sullivan resides at 330 S. 12th St., Escanaba.

Other candidates are Dr. Fred Hirn, Robert Mosenfelder, and Alfred Peltier. The term of office is for four years, beginning July 1.

Two trustees will be elected in the school election to be held June 13. The deadline for filing nominating petitions is Saturday afternoon, May 14, at 4 p. m. The petitions must be filed with the secretary of the board, Mrs. Dorothy Lindquist.

START TV SURVEY

MARQUETTE — The Jerrold Electronics Corporation was to begin a final signal survey in this area today for the community television antenna system it is scheduled to install to serve residents of Negaunee and Marquette. Elmer Metz, field engineer for Jerrold, said that the survey will serve to pin-point the area to be used as the sity for the antenna. Plans call for receiving three channels at the antenna for amplification and distribution to the cities served.

15 Scholarships In Norton Fund

Fifteen cash scholarships, totalling $19,500, will be awarded to selected 1955 Escanaba High School graduates. The scholarships will be paid from the Anna C. Norton Scholarship Fund.

Five Class A recipients will receive $1650 each, to be paid $700 the first year in college, $450 the second year, $250 each of the last two years.

Five Class B recipients will receive $1300 each, to be paid $550 the first year, $350 the second year, $200 each of the last two years.

Five Class C recipients will receive $950 each, to be paid $400 the first year, $250 the second year, $150 each of the last two years.

The factors to be considered in determining the scholarship winners are differential aptitude test rank, the essential high school contest rank, the class rank as determined by grades, plus the factor of need. To be eligible for a scholarship, formal application must be made by the student. Attendance at the Escanaba Senior High School for three years is required, except that students who move to Escanaba from another city are required to have had only two years attendance.

In addition to the Anna C. Norton scholarships, students are eligible for the Catherine Bonifas scholarship, the H. W. Reade scholarship, the A. J. Young scholarship and the Escanaba Woman's Club scholarship. A student may not receive more than one such scholarship. These scholarships are cash scholarships of lesser amounts than the Anna C. Norton scholarships.

Tech Students On Visit To Escanaba

The students of Michigan College of Mining and Technology, Houghton, accompanied by Prof. E. P. Wiedenhoefer of the Michigan Tech faculty, today were in Escanaba on a tour of municipal water and sewage facilities.

They inspected the water pumping and filtration station this morning, conferring with Supt. Emil Christensen and his staff, and after visiting the sewage disposal plant were to go on a tour of the Escanaba Paper Company plant this afternoon.

NCA Schedule To Detroit Airport Starts June 1

North Central Airlines' operation into Detroit City airport will provide through service (no transfer at Detroit's Willow Run airport) on three flights over the airline's Upper Michigan peninsula route and four over the Chicago route.

The operation will be inaugurated June 1 with an initial schedule of four round-trip flights daily operated as extensions of present Chicago and Upper Michigan flights to and from Willow Run, the airport used by all scheduled airlines serving Detroit.

Willow Run is located 32 miles southwest of Detroit, and the City airport is about six miles northeast of Detroit. North Central has served Detroit via Willow Run since April, 1953, when the airline inaugurated service between Michigan's lake-divided peninsulas. Cities on the inter-peninsular route are Lansing and Grand Rapids, Mich.; Green Bay, Wis.; Marinette, Wis.-Menominee, Mich. and Escanaba, Iron Mountain, Marquette and Hancock-Houghton, Mich.

North Central's service between Detroit and Chicago was started May 1 with six flights daily. Intermediate cities on the route are Jackson, Battle Creek and Kalamazoo, Mich., and South Bend, Ind.

Besides offering its passengers through service to and from Detroit City airport on both routes, the new operation also provides convenient "shuttle" service for passengers from Detroit City airport transferring to and from trunk airline flights at Willow Run.

Green Bay Pipeline Gets Court Approval

GREEN BAY — Circuit Judge Arold Murphy of Marinette Wednesday dismissed a suit aimed at halting a $5,700,000 pipe line project to bring water here from Lake Michigan, 28 miles away. The suit was brought by Dean Denning and Leo Hagerty as taxpayers and water users, who claimed that a March, 1954, referendum in which the pipe line proposal was defeated was binding on the city council for two years. The plan was endorsed in a later referendum. Judge Murphy held that the petitions on which the March referendum was based were insufficient because they were ambiguous. In addition, he said the city council had full authority to carry out the pipe line program without a referendum.

PERMIT AERIAL COCKTAILS

MADISON, Wis. (AP)—Operators of commercial aircraft in Wisconsin will be able to serve cocktails to their passengers without obtaining state licenses under provisions of a bill signed into law Wednesday by Gov. Kohler.

Survives High Fall

RICHMOND, Va. (AP)—Construction worker Morris Barber, 20, fell from a nine-story scaffolding, brushed against another scaffolding four floors below and landed in soft earth. He broke his arms and suffered minor cuts—that's all.

Joseph Kuharski Of Bark River Dies In Chicago

Joseph Kuharski, 72, of Bark River, died at 6:10 p. m. Wednesday at Wesley Memorial Hospital in Chicago. He had been critically ill the past 10 days.

Born in Poland in 1883, he came to this country to make his home in Chicago in 1900. He married the former Sophie Bulat there Sept. 7, 1913, and they moved to Harris where he engaged in farming. The family moved to Bark River after he retired in 1948.

Surviving are his wife, two sons, Raymond of Chicago and Edward of Perronville, three daughters, Mrs. Larry (Mary) Walker and Mrs. Frank (Leona) Rubel, Chicago, and Mrs. Frank (Josephine) Barr, Bark River, and ten grandchildren.

The body will be taken to the Boyle Funeral Home in Bark River. Arrangements for the services will be completed later today.

Dollar Bay, Mich.—Some 60 men working for the Horner Flooring Company here left their jobs Tuesday in a strike for higher wages. Their CIO woodworkers' union is asking for a 15c an hour raise and fringe benefits based on three more holidays and insurance.

Marquette Inquiry Asked By Teachers

MARQUETTE — Gov. Williams has been asked by the Michigan Federation of Teachers to launch an investigation of the Marquette school district in connection with the cases of four teachers who Local 1231 (AFL) claims have been denied contracts for the coming year.

In a resolution passed at its annual convention in Detroit, the Michigan union also urged that "the State Board of Education and the superintendent of public instruction be requested to advise the Marquette Board of Education that the reasons for the dismissals are invalid and, if necessary, to withhold state monies from the Marquette board until it is clearly shown that the Marquette board confirms with policies of law established for the protection of citizens of the United States."

The local union claimed that action was taken against the four teachers "solely because they are members of the teachers' union."

The board has denied this.

The 14-mile Adaminaby irrigation tunnel in Australia will be the longest such tunnel in the world.

Briefly Told

Health Clinic— An immunization clinic will be held Friday, May 13, from 1 to 3 at the Webster Annex.

Couples Club Meets—The Couples Club of the First Presbyterian Church will meet Saturday evening, May 14, at 8:30.

Supper At Stonington—Trinity Ladies' Aid will serve a pancake supper at Trinity Lutheran Church in Stonington Tuesday, May 17. Serving will be from 6 to 9. A free will offering will be taken.

Sportsmen's Club — May meeting of the Delta County Sportsmen's Club will be held on the evening of May 19 at Club 314. Selection of voting delegates for the MUCC convention here in June will be made and the business session will be followed by movies.

ONE REFUSES VACCINE

MENOMINEE—First and second graders in the Menomine midcounty area got second shots of Salk polio vaccine Tuesday at Stephenson. Only one child of the 257 receiving the first shots on April 20 refused the second shot. The number vaccinated was 236. There were 20 absentees.

FISHERMEN: WARNING
DO NOT BUY
"GOLDFISH" SPINNING LURES!
This is what Al Stuart calls his "Original" GOLDFISH, and darn near every tackle store sells it in spinning and casting weights for 45¢ and up in 3/16, ¼ and ½ ounce sizes:

The GOLDFISH is *not* a goldfish. It's merely polished brass or copper or chrome or gold, sometimes enameled in fancy colors. It casts so far that fishermen complain it hangs them up in bushes on the opposite bank. It has a wiggle like a peroxide blonde in a hurry—and so many FISH fall for that kind of stuff that it is considered a MENACE. Records PROVE that even BIG FISH are darn fools, too. They hit it and maybe smash your tackle. Why risk valuable equipment? Why cast so far, anyway? Fish for FUN—not for fish. Remember, YOU have to clean 'em.
Records prove that FISHERMEN WHO USE THE "GOLDFISH" ARE *NOT* "LUCKY". They can't help but catch fish. Using the GOLDFISH is not LUCK—it's MURDER. Look over (don't overlook) this fish killer at your sporting goods store. Ask for "AL'S GOLDFISH" by name. Try 'em and see why they are UNFAIR TO FISH. When you find they catch fish too easily (and everybody does!), just cut off the hooks and give 'em to your wife or girl friend for jewelry.
P. S. If you want some new ideas on catching big fish, just write for FREE "FISHING TIPS" to: Al's Goldfish Lure Co., Indian Orchard 54, Mass.

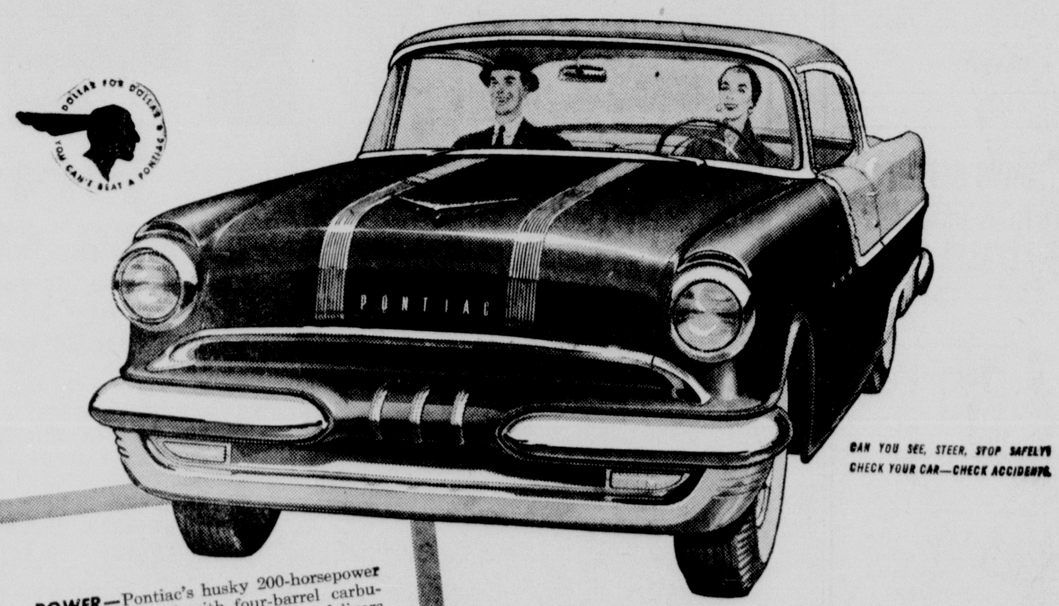
Robin Hood Flour.

More Fine-Car Features
than any other car priced so low!



POWER—Pontiac's husky 200-horsepower Strato-Streak V-8 with four-barrel carburetor, optional at low extra cost, delivers more power than any car within hundreds of dollars of its price. And road records show this power is teamed with the greatest economy in Pontiac history.

STYLE—No car at any price is so beautifully distinctive. Pontiac's future-fashioned Twin-Streak styling and Vogue Two-Toning set it apart from all other cars—point the way to tomorrow.

SIZE—Pontiac is a big car *where it counts*—with a long, road-hugging 122" or 124" wheelbase. On any road, at any speed, you enjoy the feeling of genuine fine-car size.

COMFORT—Pontiac's extra size means big-car comfort—room to stretch out and relax. Wide-stance rear springs and Shock-Proof chassis float you along in luxury style.

IF you were to guess Pontiac's price on the basis of its style, performance and size, you'd surely guess hundreds of dollars higher than its actual cost. Pontiac measures up with the finest on any point of comparison—except price.

It's a simple matter of fact that *you can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes!*

After a close inspection of Pontiac's luxury and quality and a few miles commanding its mighty 200-horsepower Strato-Streak V-8, buyers from both ends of the price scale are switching to Pontiac in record-breaking numbers. Come in soon for the clinching facts and figures. You'll make the very pleasant discovery that if you can afford any new car, you can afford a big, powerful Pontiac—and *step directly into the fine-car class!*

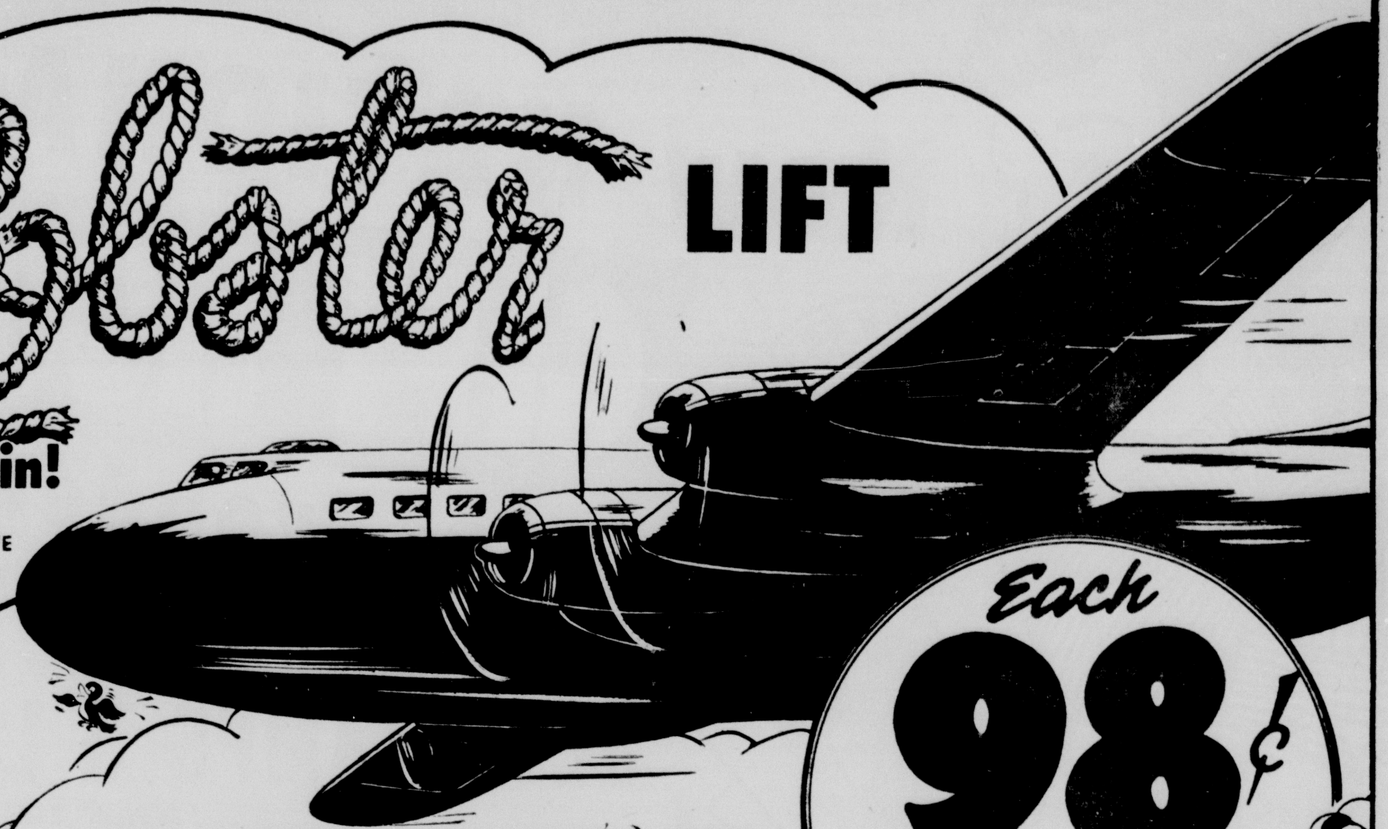
LIVE Lobster LIFT

RED OWL does it again!

YES, DUE TO THE TREMENDOUS RESPONSE AND ACCEPTANCE RECEIVED LAST YEAR, WE ARE AGAIN REPEATING THIS PROMOTION.



Each 98¢ 1-LB. AND OVER

FLOWN DIRECT to RED OWL
FROM BOSTON, MASS.

Easy-to-Fix --- Boiled Maine Lobster

Place live lobsters in a kettle of briskly boiling, salted water. Boil for fifteen to twenty minutes depending upon number and size of lobsters. Remove from water and place on drain board or wipe dry. Serve whole lobster either hot or cold with a side dish of melted butter.

PRE-PACKAGED IN PLIOFILM BAGS!
There's no need to worry about getting bitten or scratched from picking up live lobsters, thanks to this new method. Best of all, the lobsters remain alive and frisky longer.

Friday-Saturday! Come And Save. Join The Fun!

Chatham

Rock River Fire Siren

CHATHAM — On the recommendation of Rock River Fire Chief, George Hallstrom, the Rock River township board has voted to convert to a push-button-cut-in and cut-out system for sounding the siren on the firehall in Chatham.

Formerly, the siren which alerts the township's volunteer fire department, was sounded by the dialing of a number which was a secret to all but six members of the department with fire phones that could be reached by dialing GE-9-3900. During the past month, however, there has been an increasing number of false alarms.

The dial system is new in Chatham. Larry Ollilia, manager of the Chatham Telephone Co., theorized that the alarms were being set accidentally by youngsters playing with the new phones.

With the new system, fires are still reported by dialing GE9-3900, but the siren can be sounded only by special pushbottons located at five stations in Chatham.

Honor Mrs. Lydia Oja

Mrs. Eino Parkkila, Mrs. Waino Polkonen, and Mrs. Helen Perander of Rumley were hostesses recently at a "Good Neighbor" party honoring Mrs. Lydia Oja.

Those attending the party were: Mrs. Tina Silta, Mrs. Lorraine Hytinen and children of Lawson; Mrs. Jhalmer Elo, Mrs. Hilma Rajala and Mrs. Henry Elo of Dukes; Mrs. Joseph Hytinen and Mr. and Mrs. Arvo Kainulanen of National Mine; Andrew Tynissmaa, Matt Pohjala, Mrs. Lillian Nyland, Miss Hilia Karppinen, Mrs. Elsia Rajala, Mr. and Mrs. Eugene Niemi, Mrs. Elsie Norberg, Mr. and Mrs. William Parkkila, Mrs. Dorothy Stuer, Mrs. Lee Stuer, all of Sundell and Mrs. Oho and son, Leo, and Miss Arlene Juntunen of Eben.

West Side Sewing Club

Mrs. Charles Maki was hostess to the West Side Sewing Club. Bingo was played. Mrs. Hilda Trelford will be hostess during the first week in June.

Wednesday Night Club

Mrs. Hilda Trelford was hostess to the Chatham Wednesday Night Club on Wednesday of this week.

Bowling Prizes

Money winners of this spring's Alger county women's bowling tournament, rolled at the Chatham Bowl, were announced this week:

Team Event — Trenary Bakery (2389), $17.50; Wieland's Grill (2365), $13.50; Trenary Coop (2346), $9.50; Cities Service (2288), $6.50.

Doubles — Lois Maki-Marcella Rukkila (1044), $10.50; Aina Tweedale-Ellen Hytinen (1042), $8.50; Ann Kemppainen - Aune Vartti (1004), $6.50; Signe Laakso-Elaine Laakso (990), $4.50; Irene Johnson-Heila Maki (978), $2.00; Martha Pokela-Miriam Hill (963), $1.00.

Singles — Heila Maki (562), $8.00; Martha Pokela (520), $6.50; Ellen Hytinen (507), $5.00; Elsie Flynn (490), $4.00; Catherine Pelkki (489), $3.00; Jean Leppanen (488), $2.50; Ann Kemppainen (486), $2.00; Signe Laakso (484), $1.50; Lucille Finlan and Synfri Lindfors (tie) (483), $1.00.

High Team, and handicap — Trenary Bakers, $5.00; high doubles game and handicap, Lois Maki-Marcella Rukkila, $3.00; high individual game, scratch, Doris Matekel (244), $2.00; high individual game and handicap, Doris Matekel, $2.00; all-events and handicap, Heila Maki, $1.50; all-events (scratch) Helia Maki $1.50.

Achievement Day

4-H Club boys and girls of Alger county displayed their projects and put on a show at their annual Spring Achievement Day in the Veterans Memorial Gym in Eben. Projects were set up and judged during the afternoon. At the evening show clothing projects were modeled in a style revue. Several talent acts were staged, from which delegates to the "share the Fun" festival were selected. Local and county award winners were announced.

Birthday Party

Eugene Foubert was honored at a birthday party at the home of his mother, Mrs. Ida Thorsen, Saturday evening, the occasion, his 22nd birthday. Present were Mr. and Mrs. Ralph Samuelson, Mrs. Hilma Samuelson, Mrs. Ida Thorsen, Jerry Foubert, Mrs. Eugene Foubert, John Wick, Felix Johnson, Mrs. Hilda Trelford and Mr. and Mrs. Larry Barber.

Briefs

Jerry Foubert, who has been stationed at a naval base in the Florida Keys during the past winter, arrived for a month's leave at the home of his mother, Mrs. Ida Thorsen.

Mrs. Larry Barber and Mrs. Hilda Trelford visited at the home of Mr. and Mrs. George Lelvis in Marquette.

Jack Trelford and Eddie Keto of Waukegan, Ill., spent Saturday at the home of relatives.

Mrs. Reino Akkala, who was a medical patient at St. Luke's Hospital, Marquette, returned to her home.

Gordon Christofferson, who spent a week's vacation here, returned to his home in Lansing last weekend. His mother, Mrs. Carl Christofferson, accompanied him to Milwaukee. Mrs. Christofferson also visited Dr. Mike Heldmann in West Allis and Mr. and Mrs. Kenneth Koski in Waukegan, Ill.

John Wick, who spent the winter with his son in Mankato, Minn., returned here to spend the summer with his sister, Mrs. Hilma Samuelson.

Felix Johnson of Escanaba was the guest last weekend of Mr. and Mrs. Ralph Samuelson.

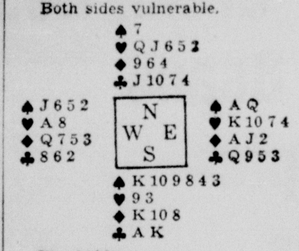
CONTRACT BRIDGE

By Josephine Culbertson

LAST CHANCE

WEST was completely blind to his opportunity in the following deal.

East dealer.
Both sides vulnerable.



The bidding:

East	South	West	North
1 NT	2 ♠	Pass (!)	Pass
Pass			

Even though West opened a diamond, up to South's king, the two-spade contract was easily defeated two tricks, but since West had not seized the chance to double, his side collected only 200 points instead of 500.

Evidently, West did not think well of his hand, which was "under average" in that he held less than one ace, one king, one queen and one jack. But the term "average hand" is decidedly relative' The fact that East had guaranteed from 16 to 18 high-card points and a balanced hand, with some strength in each suit, made West's holding a great deal stronger than appeared on the surface. Observe that East did not have a really *good* notrump opening, indeed, it was pretty much a minimum; yet, without declarer suffering any conspicuously bad luck in the break of the cards, the contract was easily defeated two tricks.

The sum and substance of the situation is just this: after a notrump opening, the partner's honors take on an added value because it can be safely presumed that these honors will be backed up and "promoted" by corresponding honors in the opener's hand. Thus, West's well-guarded spade jack was worth *more* than a trick because of his length in the suit, and even his diamond queen had potential value. Beyond question or doubt, West should have doubled the spade overcall. The side that has well over half of the honor cards in the deck can't afford to sell out so cheaply.

Industry Boosted

PORT HURON (AP)—Officials of the Port Huron-Marysville Industrial Development Corp. say more than $54,000 has been contributed in a drive for $150,000 to keep the corporation running for another three years.

More people get more news from newspapers than from all other sources combined.

Little Prince Charles To Mingle At School

LONDON (AP) — Britain's Newspapers cheered Queen Elizabeth's announcement that 6-year-old Prince Charles will mingle with other children at school instead of being royally tutored at home. The monarch asked newspapers to spare her son from too much publicity as a schoolboy.

"We applaud this decision," said the London Daily Mirror. "We applaud this sensible outlook on the role of a prince—and a king-to-be—in this day and age."

Milan Young Folks Make Their Own Fun

MILAN (AP)—When you ask what on earth the young people do for excitement in the village of Milan, you'd better smile.

For while many large and smaller cities too—worry about juvenile delinquency, the teen agers in this small Monroe County community have a regular program of recreation that they themselves have set up.

No Raising Cain

Instead of raising Cain on Saturday night, the town's young folk take over the village Community House. Music for dancing is by juke box. Pool addicts have two tables on the third floor to practice their skill. On the ground floor it's ping pong tables.

It's a gay, noisy but well-chaperoned place. Two pairs of parents look after things. A committee of youths is in charge of lining up the chaperones.

In the last few years word spread around that such a good time could be had by all the teen agers from Ann Arbor, Dundee, Ypsilanti and Adrian traveled to Milan to join the fun.

Drinking Barred

But because some of the visitors were rowdy and they crowded out the town kids, new rules went into effect this year barring outsiders unless they're personal guests of card-holding members.

The Community House youth program is run by the teen agers with officers they elect themselves. The officers work with the adult Youth Guidance Committee of the Milan Community Council.

The teen agers make and enforce their own rules: smoking is allowed but no drinking; no one who leaves the building during the evening is permitted to return; lights out at midnight so youngsters can get home by the 12:30 village curfew.

Retail Merchants In 1300 Block Join In Sales Event

Promotion-minded merchants of the 1300 block on Ludington street joined forces today in presenting a "Friday the 13th" sale.

Theme of the promotion is: Friday the 13th Specials in the 1300 Block. Majority of the store keepers are offering special low prices all day Friday, according to the ads being run on two pages of today's Press. Several are offering door prizes as well.

Organizers of the event point out that the 1300 block offers a wide variety of merchandise and services, including food stores, hardware stores, restaurants, electrical and refrigeration shops photo studio, furniture stores, etc. They expect to make this promotion an annual event.

Ten-foot replica of Paris' Eiffel Tower required 35,000 toothpicks and a year of Harris' spare time.

HE TOOK HIS PICK---

The toothpick, lowly utilitarian tool, becomes an art medium in the deft hands of F. C. (Phil) Harris, Fullerton, Calif., cabinet maker. In 15 years he has duplicated some of the world's most intricate engineering feats with a bundle of toothpicks (35,000 or so) and a tube of glue. Among his most prized products are Paris' Eiffel Tower and New York's Hell Gate Bridge.

Hobbyist Harris examines two of the Ferris wheels he has made from toothpicks. His only tools are tweezers, cement, clippers and razor blades. Plus, of course, more patience than Job. His models are exact duplicates of real Ferris wheels.

Children Receive Spanish Instruction

CHADRON, Neb. (AP)—Fifth and sixth graders in the Campus Laboratory School of Chadron State Teachers College start the day with a pledge of allegiance to the flag in Spanish, then sing America in Spanish. They carry on simple conversations too in the foreign tongue. The program, now in its second semester, is directed by Mrs. Carmen Garcia of Scottsbluff, Neb., who instructs 27 children in Spanish reading and conversation every afternoon.

Mr. and Mrs. Elvis Raiche are the parents of a daughter born Monday at St. Joseph-Lloyd Hospital in Menominee. The daughter was named Sherry Lynn.

Legion Meeting

Leo Floriano American Legion Post will meet Thursday at 8 p. m. in the Legion Club Rooms. Final plans will be announced for the Memorial Day exercises which will be held at Faithorn and Hermansville. Plans will be formulated for the Homecoming celebration over the July 4th weekend.

Airline To Extend Peninsula Service

MINNEAPOLIS (AP)—North Central Airlines has asked the Civil Aeronautics Board for permission to establish five new routes, three of which would increase service to Michigan.

One of the routes would be from Muskegon to Detroit and the Upper Peninsula.

Another would be from Detroit to Cleveland.

A third would extend the Detroit - Hancock - Houghton route across Lake Superior to Port Arthur and Fort William, Canada.

The other two proposed routes would expand service from Minneapolis-St. Paul westward.

Perronville

Community Club

PERRONVILLE — Children of the Perronville School are on the entertainment program to be presented parents and members of the Perronville Community Club Tuesday evening, May 17. The program will be on products, artists, authors, history and tourist attractions of Michigan. "Do You Know Your Michigan?" will be the theme of the discussions and skits.

Briefs

Miss Mae Devine, who teaches in Detroit, has taken a leave of absence to be home with her sister, Ellen, and to visit a sister, Anne, who is in St. Francis Hospital for treatment for a hip fracture. Miss Devine was injured in a fall on the pantry floor of her home.

Mrs. Richard Donovan returned to Wauwatosa yesterday after spending ten days with members of the Devine family.

Mrs. Albert Positano and daughters, Debra and Sari, of Chicago are here for a several weeks' visit. They were accompanied to Perronville by Mr. Positano, who spent the weekend here.

Miss Barbara Schoen who vacationed at her home here for a week has returned to Chicago.

Mr. and Mrs. Edward Koza of Chicago visited at the home of Mrs. Agnes Stempion and with the Steve Shiverski family. Mrs. Koza is the former Sophia Stempion.

Mr. and Mrs. Anthony Gaber of Chicago visited the Charles Roshak family.

Baseball Party

A children's baseball party was held Sunday at the home of Joseph Kwak. In the baseball game the boys defeated the girls, 7-5. Refreshments were served after the game. Attending were Rose Marie and Jerry Shiverski, Ronald and Phyllis Fetro, Henry LaPointe and Theodore and Patricia Dwak.

Gives Up Liberace

LOS ANGELES (AP) — Liberace's mother Mrs. Frances Casadonte, 62, has withdrawn a court petition to change her surname to that of her piano-playing son. She divorced the pianist's father, Samuel Liberace, in 1941 and married Alexander Casadonte two years later. He died in 1945. Two months ago Samuel Liberace, of Madison, Wis., informed the court he intended to oppose his ex-wife's petition.

The Bible----Can You Quote It?

1—He causeth the vapours to ascend from the ends of the earth; he maketh lightenings for the rain; he brigheth——

2—Was it Judah, and the wickedness of Jerusalem which worried the Prophet Isaiah? Isaiah 1:1

3—Was St. Paul's name changed before or after his conversion?

4—Which of these men belonged to the disciple group: Benjamin, Reubin or Philip? The Acts 8:5

5—What are the two greatest commandments? St. Mark 12-13

6—We lie down in shame, and our confusion covereth us: for—— Jere. 3:25

7—What prompted Jesus to give us "The Lord's Prayer"? St. Luke 11:1

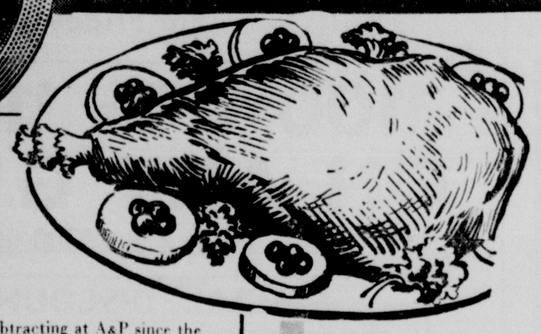
A&P SAVE ON YOUR GROCERY BILL



Customers' Corner

Subtractions that Add Up!

We've been doing a lot of subtracting at A&P since the first of the year . . . reducing the prices of hundreds of grocery items. And you don't have to be a mathematician to figure out how these subtractions can add up to big savings for you. The solution is simple: Just choose your favorites from the hundreds of popular foods . . . frozen, canned, packaged and in glass . . . that A&P is now featuring at reduced prices. Then compare and see how much lower your total bill is!

Perkins

Ladies Aid

PERKINS—Mrs. Norman Aasen was elected president of the Ladies Aid Society of the Bethany Lutheran Church at a meeting held recently. Other officers elected are Mrs. Dorothy Gustafson, vice-president; Mrs. Ethel Anderson, secretary, and Mrs. George Quirk, treasurer.

After the business session, a pot luck lunch was served in the church kitchen. The next meeting will be held May 18 at the church.

Catechism Classes

The Saturday morning catechism classes of St. Joseph's Church will be discontinued until June 13, Rev. Edward Malloy, pastor, announces.

Mr. and Mrs. William Krouth Sr. returned Sunday from a two weeks' vacation with their two sons and daughter-in-law, William Krouth Jr. and Mr. and Mrs. Howard Krouth, all of Rockford, Ill.

Rattler Run Down

BAKERSFIELD, Calif. (AP) — A rattlesnake with six rattles went out swinging in Bakersfield's downtown traffic. It hasn't been determined how the snake got into the traffic lanes, but he was coiled and striking from time to time at passing cars. Finally, Lewis Kuehnert, a forest ranger, drove his car over the snake's head and killed it.

Carolyn Johnson, Donald W. Nelson Exchange Vows

The Very Rev. Joseph S. Dickson officiated at the informal spring wedding of Miss Carolyn Ruth Johnson, daughter of Mr. and C. E. Johnson, 517 Ogden Ave., and Donald Walter Nelson, son of Mr. and Mrs. Leonard Nelson of Groos, at St. Stephen's Episcopal Church Wednesday, May 11.

The 3:30 p. m. single ring ceremony was performed before an altar adorned with tall vases of carnations, snapdragons and other spring flowers in pastel shades.

Only attendants of the bridal couple were Mrs. Edward Hurley, cousin of the bride, as matron of honor, and Edward Hurley, who acted as best man.

Honor Attendants

The bride was attired in a linen suit of navy trimmed with white which was worn with white accessories. Her shoulder corsage was a white orchid.

A navy and white faille two piece dress with navy and white accessories was worn by the honor attendant. She wore a lavendar orchid corsage.

Mrs. Johnson attended her daughter's wedding with a navy suit complemented by pink accessories, while the bridegroom's mother wore an avocado green suit with white accessories. Both mothers wore corsages fashioned of pink and white carnations. Mrs. Ed. Pare, the bridegroom's grandmother wore white carnation corsage.

Church Reception

Immediately following the nuptial service, a wedding reception was held from 4 to 6 p. m. for 100 guests in the Guild Hall of St. Stephen's Church, decorated with springeri. Assisting at the reception were Miss Helen Beckstrom, the bride's cousin, of Ironwood, in charge of the guest book; Mrs. Orval Cox, sister of the bride, of Milwaukee cutting the cake; Mrs. William Beckstrom, presiding at the punch bowl, and Mrs. Wayne Boucher, Mrs. Richard Nelson, Miss Janet Nelson and Miss Joan DeShambo, pouring.

Upon the newlyweds return from an undisclosed honeymoon trip, Mr. and Mrs. Nelson will make their home at 524 S. 7th St.

Wedding Guests

The bride, a graduate of Escanaba Senior High School, is employed in the office of Birds Eye Veneer Company. She formerly was a member of the Shipstad's and Johnson Ice Follies and co-directed several of the Escanaba ice shows upon her return. Mr. Nelson graduated from Rapid River High School and is employed at Harnischfeger Corporation.

Out-of--town wedding guests include Clyde Anderson, brother of the bride, Chicago; Mrs. Orval Cox, Milwaukee; Clifford Beckstrom and daughter, Helen, Ironwood; Mr. and Mrs. Orson Livermore, Manistique; Leonard Nelson Jr., the bridegroom's brother, Ashland, Wis.; Mr. and Mrs. Glenn Caswell, Gladstone; Mr. and Mrs. Leslie Caswell, Rapid River; Mr. and Mrs. Gunnard Nelson and Bill Nelson, Masonville; Don Pouliot, Bay View, and Mrs. Herb Tumath, Day's River.

JUNE WEDDING — Mr. and Mrs. Conrad P. Lemmer, Ford River Road, announce the engagement and approaching marriage of their daughter, Mary Olive, to Neale A. Ryno, son of Mr. and Mrs. Gordon Ryno of Red Bank, N. J. The wedding will take place June 11 at St. Joseph's Church in Escanaba.

Births

Mr. and Mrs. Matt Noyosel of Hammond, Ind., are the parents of a son, born Sunday, May 8, at Mercy Hospital in Gary, Ind. The baby is the second child in the family. Mrs. Novosel is the former Veronica Furlic, daughter of Matt Furlic, 609 S. 11th St., Escanaba.

Mix cottage cheese (the creamed varity) with grated carrot and finely grated onion; serve on salad greens for a luncheon salad.

Mrs. Johns Tells Of 60th Annual Diocesan Meeting

A concise report on the two-day convention of the Woman's Auxiliary of the Episcopal Diocese of Northern Michigan, at Sault Ste. Marie compiled by Mrs. Benjamin Johns, will be of wide interest to members and friends of St. Stephan's Auxiliary. The Rev. and Mrs Joseph Dickson, Mrs. Johns, Mrs. Charles Bisdee, Mrs. Arthur Beaudoin, Mrs. A. J. Schmeltzer and Mrs. Barnett Mills were members of the local auxiliary at the meeting.

Mrs Ralph McBain of Sault Ste. Marie presided at the 60th annual gathering.

Tuesday the day commenced with Coroporate Communion celebrated by the Rt. Rev. Herman R. Page, D. D., Bishop of Northern Michigan. Assisting were the Rev. James R. Wittemore, rector of St. James at Sault Ste. Marie. At this service the ingathering of the United Thank Offering was held. Escanaba's contribution was presented by Mrs. Dickson, the U. T. O. chairman for St. Stephen's parish.

Dean Wittemore welcomed the more than 170 delegates and visitors.

Mission Described

Mrs. Maxwell Reynolds Jr. of Marquette illustrated with slides and commentary the work of her brother, the Rev. Richard Miller, during a twelve month period as rector of St. John's in the Wilderness, Allakaket, Alaska. The first slides were photographed early in January when the temperature was 70 degrees below zero.

The supply boxes from this dioeese for 1954-55 went to this mission.

Luncheon was served at the Presbyterian Church. In keeping with the Soo Centennial Year, members of the dinning room committee were dressed in styles dating back many years.

Bishop Page announced that Dean J. Williamson Robertson of Iron Mountain has acepted the position of director of Christian Education for the diocese. Dean Robertson will help and supervise the setting up of full scale education programs for the entire life of the Church in the various parishes and missions.

Mrs. Elwood L. Haines, executive secretary of the Commission on Christian Education, Diocese of Maryland, was the principal speaker at the afternoon session. Her topic was "The Effectual Working of Every Part." Mrs. Haines, widow of the former Bishop of Iowa, spoke of the praying Christian and the witnessing Christian, stressing that it takes every part of an individual to work together and attempt to follow the pattern set by Jesus Christ.

Mrs. Stanley Pratt of Sault Ste. Marie, representing the National Cathedral Association, spoke of the possibility of forming a unit of that organization in the diocese.

Representatives from the Diocese of Algoma, Canada, attended some of the convention sessions.

Hermansville

Civic Club

HERMANSVILLE— The next regular meeting of the Meyer Township Community Civic Club will be held Thursday, May 19 at 8 p. m. As the week May 15-21 is Michigan week the program will center about that topic. William Anderson will discuss "History of Meyer Township." Mrs. Wilson Denton will talk on "Little Known Facts About Michigan." G. H. Earle will talk on "Michigan Industry" and Supt. Arne Johnson will discuss "Michigan Education." The junior class will serve refreshments after the meeting.

School News

Carl L. Johnson and Arnold Williams of the Escanaba Social Security Field Office spoke to the senior class recently on the most recent Social Security Legislation. The speakers urged the seniors to avail themselves of the services of the Escanaba office. After the discussion period that followed, a film on Social Security was shown.

Cliff Drury of the State Hi-Y office visited the school Wednesday morning.

Mrs. Ruth Losie, Port Huron, representing the W. C. T. U. spoke to the pupils of the school recently. Mrs. Losie who is visiting many schools in the U. P. this week, was a guest Tuesday evening of Mrs. Stuart Earle.

A teenage dance was held Wednesday evening at the Club sponsored by the Junior class. Don Hill chaperoned.

St. Joseph Club Holds Final Meeting

St. Joseph's Home and School Association concluded its activities for the school year at a meeting last evening in the school club rooms. The annual financial report was read by Mrs. Walter Joque, treasurer, and a report was given on the Spring Dance held last month. A scholarship award was set up to go to the boy and girl in the 8th grade with the highest scholastic record. Installation of officers was conducted by Mrs. Denis McGinn. Lunch was served during the social hour.

Miss Gabrielson Will Address District Nurses

Miss Hazel E. Gebrielson, RN, of Lansing, executive director of the Michigan State Nurses Association, will be guest speaker at a dinner meeting of the Delta District Nurses Association Friday, May 13, at 6 p. m., at the Log Cabin.

Mrs. Carol Novak, president of the district association, who is making arrangements for the meeting, announces that Miss Gabrielson's talk will deal with the latest developments in nursing on state and national levels.

Miss Gabrielson is a graduate of St. Luke's Hospital School of Nursing, Duluth, Minn., and holds a B. A. degree from Gustavus Adolphus College, St. Peter, Minn. She had studies in Nursing Education and Administration at the University of Minnesota and Teachers College, Columbia University.

She has held a variety of positions, the most recent being that of director of nursing and nursing education at St. Luke's Hospital, Duluth.

She has completed two five-year terms as a member of the Minnesota State Board of Nurse Examiners.

Personals

Mrs. James Donovan, 618 S. 13th St., left today for Green Bay where she will visit with friends.

Mrs. Orval Cox today returned to Milwaukee after attending the wedding of her sister, Miss Carolyn Johnson, and Donald Nelson, yesterday.

Mrs. Ray J. McMullen, state instructor for the Ladies Society of the B. of L. F. and E., returned today to Battle Creek after attending a meeting of Mineral Queen lodge here last evening. She was a guest at the John Auskis home, 944 Stephenson Ave.

MISS GABRIELSON

Hyde

Kasten P.T.A.

The Kasten PTA held their final meeting of the school year Tuesday afternoon at the school.

Business discussed included the continuance of the hot lunch program and the school picnic. The final decision on the hot lunch project will be given at the school picnic to be held at Ludington Park.

Pot Luck lunch will be served there, and mothers will be informed what items they are to bring. Children, who will enter kindergarten in the fall, and their mothers are cordially invited and are asked to call Mrs. Tom Brayak, if they wish to attend.

An entertaining Mother's Day program was presented by the school children. It featured folk dances, songs, a choral reading, a reading lesson by the first grade students and a dramatization of "Three Billy Goats Gruff". Gifts made by the children were presented each mother. Following the program, lunch was served.

Social—Club

Birthday Party

Mary Beth Heslip observed her eighth birthday anniversary Saturday at a party at the home of her parents, Mr. and Mrs. Gerald Heslip, 1800 10th Ave. S.

The color scheme was pink and yellow and a decorated birthday cake was the centerpiece. Mary Beth's friends who attended the party are Irene Lawson, Martha Johnson, Sandra Baum, Linda Wiley, Cheryl Lynn Ray, Paula Christo, Nancy Bingman and Susan Johns. Each guest received a party favor and Mary Beth received many birthday gifts.

MANISTIQUE

Plant Trees In Park Here

Planting of pine trees in Central Park was begun Wednesday under direction of the Manistique Recreation commission.

Four thousand trees were planted yesterday and the remaining 1,000 scheduled for the area were to be planted this morning.

Plantings were in the east end of the park area, to control erosion on ski hill, beautify the area and to stabilize sand hills.

A crew of six worked on the project.

Teacher Returns From MHSAA Meet Held In Lansing

T. H. Reque, Manistique High School teacher and recreation director here, Monday attended a meeting of the State Athletic Officials association, held in Lansing under auspices of the Michigan High School Athletic association.

Reque was one of two Upper Michigan persons selected to attend. Also attending was Ira Hanson, of Nahma.

Ethics, tournaments, registration, procedures and fees were among topics consdered. Sixteen representatives attended the session with Charles Forsythe.

Thompson Voters Approve Millage Increase For School

THOMPSON—Voters of Thompson township have approved a 1½-mill increase in taxes for five years for school operation. The vote was 15 in favor and one against.

Previously voters had approved a 3-mill increase for three years, and this expired this year.

No major improvements are planned for the school this year, as new desks were installed last fall and the interior was repainted.

The contract for the school's one teacher, Mrs. Allenen Nelson, has been approved for the ensuing year.

Social

Mothers Day Tea

The Brownie Troop at St. Francis de Sales school held a Mothers Day tea recently at the school basement.

Place mats in the Mothers Day motif, made by the girls, decorated the table. A pot holder and hot pad were placed by each mother's setting as a gift from their daughters.

A program was presented, after lunch, with each girl taking part. Assisting the leader, Mrs. Roland Hoholik, were Mrs. Donald Hoholik and Mrs. John Potvin.

Study Club

The Tuesday Study club held its annual pot luck dinner this week at Bolitho's cottage, on Harrison Beach.

Military Ball Planned To Mark Armed Forces Day

A semi-formal military ball is planned at the National Guard Armory May 30 in observance of Armed Forces Day.

All National Guard members have been requested to wear uniforms. Soldiers in uniform home on leave also are invited, and parents.

The dance is sponsored by the non-commissioned officers club and National Guard officers. The Swing Kings will provide music for dancing from 9:30 p. m. to 1.

Youth Is Held For Discharging Gun In City Limits

Gary John Weber, 18, of Rte. 1, was given a suspended fine of $25 and assessed costs of $4 in Justice Court Wednesday on a charge of discharging a firearm in the city limits.

Weber was charged with the offense by city police after they found him allegedly using a .22 rifle in the area along the carferry road.

A 16-year-old youth was apprehended with him, and has been referred to probate court.

Professor Gets Film Frustration

SAN DIEGO, Calif. (AP)—A psychology professor at the state college here was having trouble finding a classroom to show his class a film.

He finally found one and set up the projector. Then a fuse blew out. After that was repaired it was discovered that someone had forgotten to bring the film.

The film's title: Frustration.

Softball Season Opens Monday; Mayor Will Pitch

The 1955 Manistique softball season will be inaugurated Monday night with a doubleheader between Christy's Bar and Inland, and the Top O' Lakes and the Papermakers.

Mayor Ben Fisher, Jr., of Melvindale, who will be visiting in Manistique Monday for the Michigan Week observance, will be asked to pitch the first ball as the season opens.

Pre-game ceremonies will begin at 7 p. m., and will include presentation of colors by the National Guard, and playing of the Star Spangled Banner. Boy Scout troop 400, the Drum and Bugles Corps, will participate in the program.

Season tickets now are on sale and can be obtained from all team managers, Don Martin, and officers of the softball association. The officers are Arthur Allen, president, E. J. Doyle, secretary and Seb Rubick, treasurer. Tickets also will be available at the field Monday night.

Road Commission Sells Building, Timber Tuesday

The Schoolcraft County road commission, at a regular meeting Tuesday, accepted bids on an unused building and timber which it offered for sale.

The 15 by 23-foot building, moved from the gravel pit in Inwood township to road commission headquarters, was sold to Leo Lloyd Walter, of Cooks, whose bid of $205 was the highest of four received.

The timber went to Arvid Nelson of Manistique, who bid $436.60. Nelson's bid was the highest of six.

High Scores Rolled In Elks Bowling As Season Nears End

Fred Lesica of the Tigers bowled a high 3-game series at the Manistique Elks lodge this week, putting together games of 201, 231 and 222 for a total of 654. Also putting in a high score was Mason Rhoades, of the Papermakers team who rolled games of 224, 207 and 193 for a 624.

This is the final week of bowling in the Elks league and teams are closely tied. Postponed matches will be completed by Sunday and are as follows: Lions vs Top O'Lakes, Papermakers vs. Texacoes and Flying Red Horses vs. Inland.

The standings are as follows: Inland, 35 points; Toolmakers, 34; Tigers, 32½; Ethiopians, 30; Ekbergs, 29½; Lumberjacks and Fergins, 29; Bradley's Sunny Shores, 28, and Papermakers, 27½.

Jobs For Women Are Opening Here

Information today from Whitney R. Dixon, of Escanaba, manager of the Michigan Employment Security commission reveals that a demand for female resort and tourist workers has developed in the Manistique area, indicating a good tourist season.

There are calls for waitresses to start work between now and the first of June, Dixon advised, and other openings are expected to occur in the next few weeks, mostly for women or kitchen workers, women to clean cabins, cooks and others. Jobs for workers will occur in Manistique, and in resort areas in Schoolcraft County.

Women or girls interested in the above type of work, including high school students who will graduate in May or June, are requested to register immediately with the MESC, which conducts itinerant service in Manistique every Thursday, at the American Legion Building from 10:30 a. m. to noon. Employers also were advised to list present and future needs for workers with the MESC as soon as possible, so workers can be secured by the desired date.

New C-C Folders Ready; Industrial Section Included

Three hundred new Top-O' Lake Chamber of Commerce folders have been distributed and another 6,000 of a total of 20,000 are ready to join the mail vanguard to industrial cities, Fred D. Heltman, C-C secretary reports.

The folders this year, in a magenta and white color combination, contain a section on Manistique's industry and an invitation for new industry to locate here.

Pictures of the Manistique Pulp and Paper company, Inland Lime and Stone company and the Manistique Tool and Manufacturing company are included, as well as scenic views in the city and resort areas and a directory of services and accommodations for tourists.

Miss Winsor Is The Bride Of Robert White

At a single ring ceremony performed Saturday at St. Francis de Sales church, Miss Nancy Nell Winsor, 718 Oak St., daughter of Mr. and Mrs. Orville Winsor, of Big Bay, became the bride of Robert Merwin White, son of Merwin White, 229 N. 5th St., and Mrs. Floyd Houghton, N. 3rd St.

The Rev. F. M. Scheringer officiated at the 9 a. m., service. The school choir sang the mass and Miss Gail LaBrasseur sang "Ave Maria."

The bride was attired in a beige with white fleck, wool box suit with white accessories. Her corsage was of white roses, centered with a yellow rose.

Miss Dorothy Ann Selling was maid of honor. She wore a pink rayon cord, fitted suit with beige accessories and a corsage of white roses centered with a pink carnation.

Earl Johnson, cousin of the bridegroom, was best man and Lauren Winsor and Ronald White ushered.

Mrs. Winsor attended the wedding in a rose suit with white accessories and wore a corsage of white roses. Mrs. Houghton, the bridegroom's mother, wore a navy suit with white accessories and a corsage of red roses.

A wedding breakfast for the immediate families and the wedding party was held at 718 Oak St. The table was decorated with a white table cloth with green and brown print, green candles and daffodils. A wedding dinner for 40 guests was served at the Ossa hotel at 1:30 p. m. The serving table was centered with a three-tiered wedding cake topped with a miniature bride and bridegroom, candles and pink snapdragons. Mrs. Ronald White poured, Miss Bernice St. John cut the cake and Beverly Gentz, Gay Archambeau and Mavis Talbot served.

The newlyweds are making their home at 229 N. 5th St.

The bride attends Manistique High school and will graduate in June. The bridegroom is a graduate of Manistique high school.

Two Candidates Seek Re-Election

THOMPSON—Voters of Thompson township will elect two members to its board of education at an election scheduled June 13.

The terms of Harry Hastings and Joseph Hoholik are expiring, and both are candidates for re-election. No other candidates have filed petitions as yet. The deadline to file is May 14.

Other members of the board are Calvin Stevens, Edwin Gundersen and Ellis Erickson.

Road Builders Will Hold Annual Meet At Blaney

The 47th annual meeting of the Upper Peninsula Road Builder's association, one of the oldest road promotion groups in the nation, will be held June 16-17 at Blaney Park.

Eugene E. Johnson, engineer of the Schoolcraft County road commission and president of the association, is in charge of arrangements, along with Louis Litzner, superintendent of the Mackinac county road commission.

The meeting will be attended by approximately 300, with Schoolcraft and Mackinac County road commissions as hosts. Tentative plans calls for speeches by officials of the Ford Motor company and the Motorola company. Last year the meeting was held in Copper Harbor.

Officers of the association, in addition to Johnson, are Everett Clegg, superintendent of the Chippewa county road commission, vice president, and Michael Strucel, engineer for the Baraga Road commission, secretary-treasurer.

Indian Lake Level Slowly Nearing Normal

The water level in Indian Lake is slowly nearing normal and the large gate erected by the Indian Lake Property Owners' association is scheduled to be closed Sunday.

The small gate on the dam, at the Indian River bridge on M-94, was put in last Sunday.

Devices to raise and lower the large gate now are being constructed by Arthur Nelson. The property owners association is a volunteer group which was organized last year to erect a dam to control water levels on the lake, to prevent damage to private and resort property.

Lack of rainfall in the past several days and a low snow accumulation last winter has resulted in the lake reaching its normal level sooner.

Briefly Told

Choir Practice — First Baptist Church choir will practice at 7:15 tonight in the church.

Youth Group—The youth group of St. Alban's Episcopal Church will meet in the church basement at 7 tonight.

Surgical Dressings—Group 2 of Hospital Auxiliary's surgical dressings committee meets at 2 p. m., Friday in the dining room of Schoolcraft Memorial Hospital.

Royal Neighbors — The Royal Neighbors of America will hold a business meeting at 8 p. m., Tuesday at the home of Mrs. Peter Kasbohm, 425 Delta Ave.

VFW Post — The meeting of VFW Post 4420 scheduled Tuesday, May 17, has been cancelled. Members of the local post will be guests of the Edward Doran Post at Germfask.

Brotherhood — Zion Lutheran Brotherhood will meet for a 6:30 dinner Monday evening at the church parlors. Host will be Victor Carlson, Borji Carlson, Franklyn Burgess, Herbert Krause, John Nessman, Edwin Nylander and James Carlson. All are members of dartball team No. 3.

Pay Raises—The pay increases for the city police and fire chiefs voted this week were from $309 to $320 per month, not from $289.26 and $290.26, as reported Tuesday. The fire chief has $20 per month deducted from his earnings, for use of the living quarters in the department, and this was not reflected in the article reporting on the Council meeting.

Obituary

WILLIAM F. BAUERS

The rosary for William F. Bauers, of Gulliver, former Mueller township supervisor who died Tuesday night, will be recited at Messier-Broullire funeral home at 8:15 p. m., today.

Funeral services will be held at 9 a. m., Friday from St. Francis de Sales church and burial will be in Fairview Cemetery.

A fire boat can pump as much water as about 20 fire truck pumpers.

Legion Auxiliary Names Delegates To Special Meet

Mrs. Fred Hahne, Mrs. Earl Malloch Sr., Mrs. Alex Cooper, Mrs. Frank Pavlot and Mrs. Clara Whitman were named to represent the American Legion Auxiliary of Post 83 at the annual recognition dinner for volunteers for the Veterans Administration on hospitals, scheduled Wednesday at 6:30 p. m., in Trinity Methodist church in Iron Mountain.

The Manistique Legion Auxiliary this week also voted to sponsor attendance of two at the Older Boys conference in Escanaba, voted a contribution to a fund for a leprosy hospital, and ordered a new flag.

The program included reports by Mrs. Ellen Powers on ordering of pamphlets on civil defense, and Mrs. George Stephens on Poppy Days planned May 26, 27 and 28.

A social hour followed the business meeting. Honors in 500 were presented to Mrs. Alec Cooper and in canasta to Mrs. Earl Malloch. Mrs. Laura Davenport received the guest award.

Lunch was served from a table decorated with spring flowers, tall, yellow tapers and mints. Hostesses were Mmes. Archie Carpenter, Fred Williams, Fred Hahne and Margaret Hewitt.

There are 52 species of furbearing animals in the Great Smoky Mountains National Park.

City Briefs

Mrs. Wallace Peck and John Timmons left Wednesday for their homes in Detroit after visiting here with Mr and Mrs. Anton Weber, 220 Maple St.

Cpl. James Nelson arrived Tuesday from Germany to spend a week's furlough here with his parents, Mr. and Mrs. Alvin Nelson, Range St. He has been stationed at Wertheim, Germany since August 1953.

August Carlson, 314 Range St., is a patient at Schoolcraft Memorial Hospital.

Word has been received here by Mrs Mollie Wygal, N. Cedar St., that her son, Pfc. Donald Wygal, has been transferred from Pusan, Korea to Seoul, Korea, where he is company clerk with the medical division. At Pusan he was a bookkeeper.

CARD OF THANKS

We wish to thank our neighbors, friends and relatives for the kindness and sympathy extended us at the time of the illness and death of our wife, mother and grandmother, Mrs. Maudie Bryant. We especially wish to thank those who served as pallbearers, the nurses and staff of Schoolcraft Memorial Hospital, Drs. Wehner and Jenson and the Rev. A. Barton Brown for their services. Your kindness will long be remembered.

Signed:
The Bryant family

GLADSTONE

Buckeye PTA Eyes Next Year

The last meeting of the current year was held Tuesday evening by the Buckeye Parent-Teacher Association at the Buckeye School.

Children's dance numbers offered pleasing entertainment for the persons assembled.

Mrs. Clarin Frederickson, president, presented an excellent report on the recent state convention held at Marquette.

Committee appointments were made at the meeting.

They follow:

Program, George Minne.

Publicity, Mrs. Rene Maskart.

Publications, Mrs. Lorraine Murphy.

Membership — Mr. and Mrs. Boyd Swanson, Mr. and Mrs. Gene VerHamme, Mr. and Mrs. Walter Erickson, Mr. and Mrs. Albert Bratonia, Mr. and Mrs. Delbert Nelson, Mr. and Mrs. Oliver Gabrielson, Mr. and Mrs. Glade Coppock, Mr. and Mrs. Walter Belanger and Mr. and Mrs. Hilding Johnson.

Budget, Mrs. Hilding Peterson, Mrs. Peter Bruntjens, Rene Maskart and Larry Johnston.

Ways and Means, Mrs. George Minne, Mrs. Douglas Schafer, Mrs. Joseph Creten and Mrs. Kenneth Pickard.

Hospitality, Mrs. Myron Goodman, Mrs. Vernon Long, Mrs. Robert Nicholas, Mrs. Larry Johnston, Mrs. Ed Chroge and Mrs. Rudy Sidmark.

Legion Post Will Nominate Officers

Annual nomination and election of officers will be conducted by August Mattson Post, American Legion, at a regular meeting of the post Monday evening at 8 at the Legion hall. William Girard Jr., is the current commander of the post. A good attendance is being urged.

COAST GUARD MEMORIAL GOING UP — This memorial honoring the men and women of the Coast Guard during World War II will be dedicated May 30 at Battery Park, New York City. Cast in bronze and mounted on a base of Maine granite, it symbolizes the humanitarian side of the Coast Guard's mission.

Rev. Peterson To Attend Meeting Of Augustana Board

Rev. Clifford Peterson will leave the early part of next week for Rock Island, Ill., where he will attend the spring meeting of the Board of Directors of Augustant College which will be held Tuesday and Wednesday.

On Wednesday evening the annual board and faculty dinner will be held at the Hotel Fort Armstrong in Rock Island. Mrs. Clifford Peterson will be a guest at the dinner.

Briefly Told

Bake Sale—The WSCS of the Memorial Methodist Church will hold a bake sale Saturday at Siebert's Hardware. The sale will start at 10. All persons donating to the sale are asked to have their baked goods at the store not later than 10:30. All members and friends of the church are asked to donate.

Fellowship Program—During a Singspiration at the Covenant Fellowship meeting Thursday evening there will be vocal duets in Swedish by Inez Nyberg and Ellne Swenson, vocal duets by Miss Leone Larson and Mrs. Keith Towns and a reading by Mrs. E. Erickson.

Social

Study Club

The Study Club will meet at the home of Mrs. H. A. Cassidy, 1202 Minnesota Ave., Monday afternoon at 2:30. Mrs. Hanford L. White will be the hostess. Mrs. R. P. Davis will review "My Several Worlds" by Pearl S. Buck.

About one-fifth of the U. S. wheat crop is grown in Kansas.

WILBUR

More people get more news from newspapers than from all other sources combined.

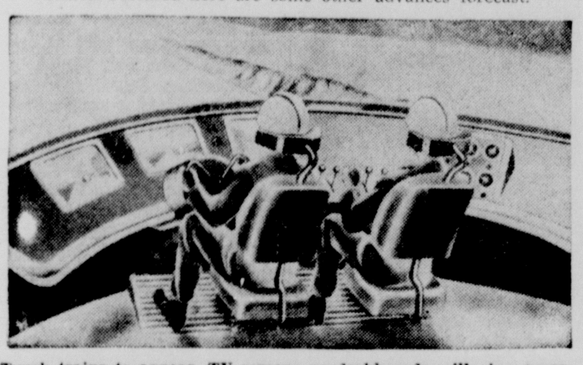
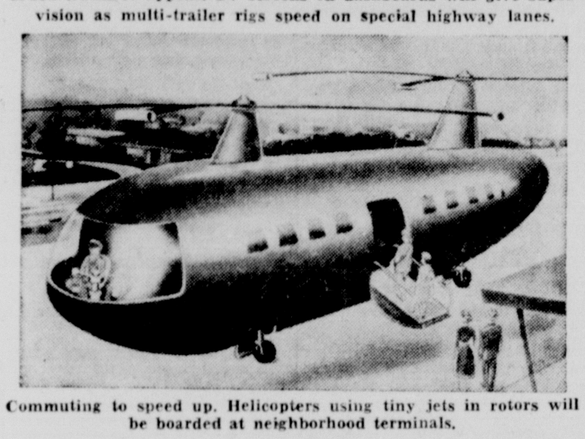
GLADSTONE

LIFE IN 1975: PRESS A BUTTON AND . . .

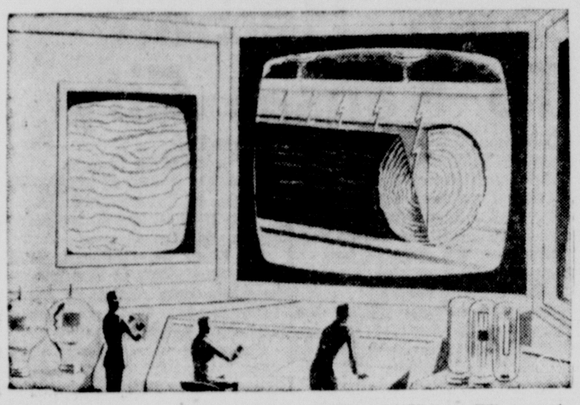
Greater ease in living is promised in the next 20 years. The annual U. S. Chamber of Commerce meeting in Washington is getting a glimpse of what is to come by 1975. Industrial concerns and business planners provided data from their drawing boards. A slide-film presentation pictures life-to-come which includes 100-passenger planes that look like flying saucers, open-front grocery stores which substitute curtains of warm or cool air for walls, glass walls for homes, packaged bathroom and kitchen units and sound wave machines to wash clothes and dishes. Pictured here are some other advances forecast.



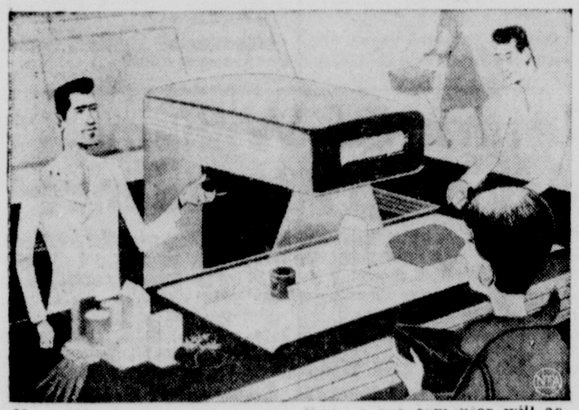
Truck trains to appear. TV screens on dashboards will give supervision as multi-trailer rigs speed on special highway lanes.



Commuting to speed up. Helicopters using tiny jets in rotors will be boarded at neighborhood terminals.



Woods to improve. Pushbutton sawmill uses X-ray, TV to get better planks from timber sliced by invisible cutting rays.



No waiting at checkout counter. Electronic computer will accurately total grocery tab at high rate of speed.

Tax Hike Would Be For 5 Years

Legal wording of the proposition to be voted on at the special election July 11 was received Tuesday from the Department of Public Instruction at Lansing.

It is proposed to levy an additional six mills for a period of five years for school purposes.

Formal wording of the proposal is as follows:

"Shall the limitation of the total amount of taxes which may be assessed against all property in the School District of Gladstone, Delta County, Mich., for all purposes, except taxes levied for payment of interest and principal or obligations incurred prior to Dec. 8, 1932, be increased as provided by Section 21, Act 10, of the Constitution of the State of Michigan, for a period of five years, 1955 to 1959, both inclusive, to 2.1 per cent of the assessed valuation in the School District."

City Briefs

M-Sgt. and Mrs. Joe V. LaFramboise of Nagayo, Japan, are the parents of a daughter, Dianna Lynn, born April 29 in Japan. The infant weighed 7 pounds, 12½ ounces and was born on the Japanese Emperor's birthday anniversary. Japanese think it wonderful to have a child born on that date, a note from Mr. and Mrs. Joe LaFramboise, Los Angeles, formerly of Gladstone, the proud grandparents, reveals. Sgt. LaFramboise is assigned to Headquarters of the 5th Air Force.

Albert Latimer left last night for Au Train to visit with his brother, Reuben, Minneapolis, who is vacationing there at the Fillmore cottage.

Miss Fay Chase arrived Monday from Milwaukee to spend the week visiting here with her mother, Mrs. J. I. Chase.

Mrs. Harold Ebbesen is a surgical patient at St. Francis Hospital.

Mr. and Mrs. V. E. Tillman have returned from a vacation visit in Chicago and the Lower Peninsula. In Chicago and Flint they visited with former friends from Gladstone and with their daughter Marian, who is attending Michigan State College at East Lansing.

Mrs. George Praiss and daughter Judy are expected to arrive next Tuesday from Puerto Rico to visit here with friends.

Mrs. Clifford LeDuc is a surgical patient at St. Francis Hospital.

President Pays $5 For Legion Poppy

WASHINGTON (AP) — President Eisenhower paid $5 for the first 1955 poppy sold by the American Legion Auxiliary.

Mrs. Percy A. Lainson of Fort Madison, Iowa, president of the auxiliary, pinned the poppy to the President's coat lapel. She also gave him a corsage of poppies for Mrs. Eisenhower, and a sample plate from a set of dishes which the auxiliary is giving the Eisenhowers for their new country home at Gettysburg, Pa.

Various service programs are financed by the sale of poppies made by disabled former servicemen in hospitals.

Gladstone High Band In Spring Concert Tonight

The Gladstone High School Band will present its annual spring concert this evening at 8:15 at the high school gymnasium.

Directing will be Paul Cowen, public school music supervisor.

The program:

Prelude in C minor, Rachmaninoff

Koom, Susser Ted, Bach

Saxaphone Duet "Pep and Peppy," Chenette — Elizabeth Erickson and Jack Radiker

Saxophones, Karen Lash, Pat Ellingson, John Greene, Marion Flannery and Dianne Oja.

Cornets, Nancy Grenfell, Frank Lash, William Collins, Tom Butch, Rudy Sydmark, Kenny Koehler, John Foster and Mike Kelly.

French Horns, Claire Van Damme, Kay Bolger, Margaret Sundling and Sue Ebbesen.

Trombones, Gerry Leander, Jim Grenfell, Dave Olson and David Larson.

Basses, Dennis Artley, Darwin Pfiester and Dennis Aicher.

Bass Drum, Jeanette Krout.

Snares, Robert Trygg and Harold Bergman.

Cymbals, Pat Moore.

Tympani and bells, Mary Jo Bolger.

Local Couple Back From Celebration Of Golden Wedding

Mr. and Mrs. Napoleon Valind have returned from Sheboygan, Wis., where they visited over the weekend and while there attended the golden wedding celebration of Mr. and Mrs. Edward Smith of that city. Mrs. Valind and Mrs. Smith are sisters. The 50th anniversary was observed on Saturday.

GIFTS SET RECORD

ANN ARBOR—With six weeks remaining in the second annual appeal, contributions to The University of Michigan Alumni Fund already have reached a new high. Gifts received to May 9 brought the fund to more than $110,000, surpassing the $109,984 received from alumni and friends in the first year of the University's new annual giving program. The fund was established in 1953 and money is used for meeting urgent needs of the University, including scholarships and student aid, research equipment, faculty awards and special library and museums acquisitions.

Youth Is Fined On Delinquency Charge

Kirk Posenke, 22, of Rock Rte 1, pleaded guilty Wednesday afternoon in Justice A. T. Sohlberg's court to a charge of contributing to the delinquency of a 14-year-old girl and was sentenced to pay a fine of $10 and costs of $6.60.

To a charge of permitting the girl, as a minor not licensed to drive a car, to operate his auto, Posenke pleaded guilty and paid court costs of $6.60. The young man was arrested by Michigan State Police.

GLADSTONE ESCANABA

In This Corner

With Ray Crandall

Marquette Graveraet High School has a most unique recent record in track and field competition..... Two years ago the Redmen won the Upper Peninsula Class B championship but last year they placed last in the finals at Houghton... But in spite of that reversal of form, Marquette has a remarkable record in dual competition in recent years... The Redmen have won their last 19 straight dual meets ....The latest victory came Tuesday, 91-18 over Negaunee.

* * *

Speaking of track, have you heard of that phenomenal athlete from Sunset High School in Dallas, Texas?... The sensational schoolboy recently ran the 440 yard dash in 47.2 for a new national high school record... The world record for that distance was set by Herb McKinley, long-legged Jamacian, in 1948, in the time of 46.0.

* * *

Escanaba in recent years has become a poor baseball town... By that we mean that baseball attendance here has been practically nonexistent in the last couple of seasons...In fact, attendance was so poor that the Tri County League champion Escanaba Bears disbanded completely two years ago and last year played only an "independent" schedule of exhibition games, mostly out-of-town.

* * *

But even the luke-warm baseball fans can't stay away when the amazing Escanaba High School team goes into action... The crowd at the Escanaba-Holy Name game last week was one of the largest we have ever seen at the City Diamond....And a pretty large group of fans was on hand when the Eskymos stretched their consecutive victory string to 39 with a 5-0 win over Ishpeming ... Today's game with Stephenson is also expected to draw a good attendance.

Clairmonts Take Over American League Lead

Results Last Night
Clairmonts 4, Northland Bread 1.
Merchants 9, Eagles 8.

Games Tonight
7—Eagles vs. Paper Mill.
8:30—Dells vs. Harnischfeger.

Clairmont Transfer took over first place in the American League softball standings last night by clipping Northland Bread 4-1 in the opening game at Memorial Field.

In the nightcap the Eagles made their debut in the American League a thrilling one but bowed to the Merchants 9-8 after carrying a three-run lead into the final inning.

John Baker twirled Clairmonts to their second straight win on a five-hitter. Northland scored first in the opening inning and Clairmonts tied it 1-1 in the fourth.

Buddy Weber cracked an inside-the-park homer with Bud Laviolette and Howie Larsson on base in the fifth to win the game. Les Kamin gave up six hits going the route for Northland.

The Eagles, who moved into the American League this year after winning the National League championship last season, pulled out to an 8-5 lead on the Merchants going into the last half of the seventh.

But with the bases loaded and none out, Ray O'Seen slammed a double to score three runs. Lloyd Lindstrom poked a single to score O'Seen with the winning run.

Bob Anderson was the big gun at the plate for the Merchants. He banged a homer over the fence with two on in the second inning and added a single and a double in four trips.

Puff Ottensman, Eagles catcher, had three for five at the plate. Chuck Gouin pitched for the Eagles and Bud Provo and Tom Gasman shared the mound for the Merchants.

Miranda Reverses His Play This Year

BALTIMORE (AP) —Willie Miranda, the Baltimore Orioles' goodfield, no-hit shortstop, is doing it the other way around this season.

Miranda, who was obtained from the New York Yankees during the winter, has collected 14 hits in his last 47 at bats, a .298 pace. But in the field, he's already committed 11 errors — more than any other major league player.

Redskins Lose At Norway 6-3

NORWAY—The Norway Vikings scored three runs in the fourth inning to wipe out a 2-1 Hermansville lead and went on to take a 6-3 non-conference verdict over the Redskins here yesterday.

Bob Whitens and Ken Schultz shared the mound for Hermansville while Eugene Zanon went the distance for Norway. The Vikes outhit the Redskins seven to five.

Box score:

Ex-St. Joe Star Athlete Makes Grade On Army Team

A former St. Joe all-around athletic star may be following in the footsteps of some of the current major league baseball players who "came of age" while playing with United States service teams.

John Martinac, who gained Peninsula-wide recognition in three sports as a St. Joe Trojan earned a tryout and landed a berth on the classy 24th Engineers team in the tough Rhine Conference in Germany.

Graduates of that league include such names as Ernie Oravetz, Washington Senator rookie and George Piktuzis of the Pacific Coast League, both of whom were stars in the circuit as recently as last season.

Homers In First Game

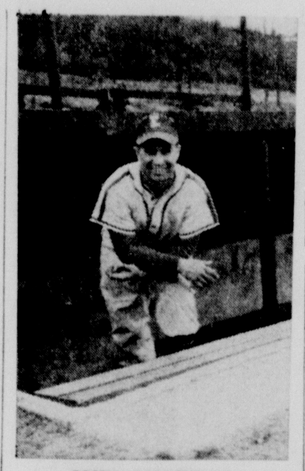
Martinac caught the eye of Lt. Shelby Newman, coach of the 24th Engineers, and was given a tryout this spring. The ex-Escanaba athlete impressed Newman with his speed, power and throwing arm and was assigned to the team.

Martinac justified Newman's faith in him by blasting a homer in his first game of the season as the Engineers scored a victory over the Second Army Mountaineers. The Engineers won two of their first three games in the season that just got under way last week.

The Engineers played 11 exhibition games before the season opened, winning nine and losing only two. Martinac was one of the leading hitters with a .321 average on 18 hits in 56 trips. Included in the base knocks were two home runs and Martinac batted in 20 runs.

Two Sport All-U.P.

As a senior in high school, Martinac was an outstanding athlete. He was one of the few ever to land a first team All-U.P. berth in both football and basketball.



JOHN MARTINAC

On the gridiron Martinac was a devastating fullback whose smashes over the line were a fine foil for the outside slants of another famous St. Joe athlete, Pete Kutches. Martinac was one of the best defensive players ever turned out by Trojan coach Tom St. Germain.

Martinac was also a vital factor on the 1953 St. Joe basketball team that won the Upper Peninsula Class C championship and advanced to the quarterfinals of the state tournament in Lansing. He was a guard and a hard-working defensive "chaser" on the crack St. Joe quint.

It was a hot streak by Martinac in the Upper Peninsula finals at Houghton that brought the title to St. Joe for the first time. He scored 32 points in the semifinal and championship games.

Signed By Lucas

Martinac began playing baseball as a youngster in the City Recreation Leagues and grew up in the many baseball programs offered here. He earned a letter as a freshman on the St. Joe ball team, played American Legion Junior ball with Al Ness, Escanaba Cubs and played for the Escanaba Bears, city team, before he signed a contract with the New York Giants.

Martinac, who concentrated on third base, played with Oshkosh in the Wisconsin State League before that franchise was moved to the East Coast. He was signed for the Giants by Scout Red Lucas who had seen him in action in several high school and American Legion games.

The Cleveland Indians were also high on Martinac. Scout Nap Ross, who heads annual tryout camps held here, called Martinac the most promising ball player in this area a few years back.

Now the ex-Trojan star is moving in fast company, sprinkled with professional ball players. It may be the first big step along the trail that leads to one of sports most lofty perches, a berth in the majors.

Yesterday's Stars

(By The Associated Press)

Pitching—Early Wynn, Indians, limited the Yankees to five hits in 4-3 triumph.

Batting—Ernie Banks, Subs, hit his first major league grand slam home run as the Cubs ended Brooklyn's 11-game winning streak, 10-8.

Philadelphia Phillies Are Mired Deep In NL Basement

By ED WILKS
The Associated Press

The Philadelphia Phillies didn't think much of Terry Moore as a manager, but the old Gas House Gang guy really belted one on the button when he wished his successor Mayo Smith "a lot of luck because he has a tough job ahead."

That was last October, after the Phils had wound up fifth, 22 games behind the pennant-winning New York Giants and owner Bob Carpenter decided Moore hadn't shown enough "experience" in his three months as manager.

So they called upon Mayo, six years a minor league manager, to take over.

Now Mayo and the Phillies are in the cellar, 14 games back of pace-setting Brooklyn and snarled in an 11-game losing streak. The St. Louis Cardinals extended Mayo's troubles Wednesday night, beating the Phillies 6-5.

Brooklyn also "slumped" Wednesday, or what amounts to a slump for the Dodgers. They lost one. The Chicago Cubs did it, beating Russ Meyer's hex and snapping the Brooks' 11-game streak 10-8. It was only Brooklyn's third defeat.

Elsewhere in the National, Milwaukee finally beat Pittsburgh 8-3 and New York defeated Cincinnati 6-3.

In the American League, Cleveland swept its two-game series in New York, beating the Yankees 4-3 despite Bob Turley's three-hitter and 11 strikeouts. Boston edged Chicago 4-3, ending a five-game losing string. Ned Garver held Washington to three hits for a 7-0 Detroit victory, and Kansas City beat Baltimore 2-0.

The Cards tagged Robin Roberts for 11 hits in seven frames Wednesday night. Ron Mrozinski was the loser in relief as Harry Elliott, Stan Musial and Rip Repulski doubled for two runs in the eighth after the Phils had taken a 5-3 lead. Herb Moford was the winner, in relief of Larry Jackson and Bobby Tiefenauer.

At Chicago, the Cubs beat Meyer for the first time since July 16, 1950. A five-run first inning, featuring Ernie Banks' first major league grand-slammer, finished Meyer. Dee Fondy homered for three runs off Clem Labine in the third and Billy Loes, fifth Brook pitcher, gave up a pinch single to Walker Cooper in the seventh that provided the winning marker.

Five Double Plays

Jim Davis was the winner in relief as Brooklyn outhit the Cubs 14 to 9, but slammed into five double plays.

Cleveland knocked Turley off his five-game winning streak by making the most of nine walks. Turley, who now has 57 strikeouts in 54 innings, also hit a batter and wild-pitched the first Tribe run home. Mickey Mantle and Andy Carey hit home runs off Early Wynn, but the Cleveland right-hander was tough when he had to be, giving but five hits for his third success without defeat.

Boston beat the White Sox on Billy Klaus' first major league homer, a two-run job in the sixth, plus some brilliant relief work by Ellis Kinder that saved Fran Sullivan's third victory. Virgil Trucks was the loser.

Washington had only one hit off Garver until the seventh with the Detroit right-hander going to work with the bat as well to drive in a pair of runs. Al Kaline homered for the Tigers. Dean Stone was the loser.

Shantz Looks Sharp

Little Bobby Shantz held the Orioles to two hits after taking over for Alex Kellner, who pulled out with a kink in his back in the fourth. Singles by Gus Zernial and Jim Finigan scored Kansas City's two runs off loser Lou Kretlow.

Whitey Lockman's three-run homer and Monte Irvin's two-run clout were all Jim Hearn needed to post his fifth victory for the Giants at Cincinnati.

A three-run homer by Eddie Mathews and Joe Adcock's two-run double powered the Braves to their first success against Pittsburgh this season after four defeats. Chet Nichols remained Milwaukee's only unbeaten starter, claiming his third decision with an eight-hitter.

Garver In Best Form As Tigers Blank Nats

WASHINGTON (AP) — The Detroit Tigers took the day off today to lick the wounds of their current road trip.

After six games they are playing at only a .333 pace and have watched their gap between their fourth place spot in the standings and the league leading Cleveland Indians lengthen to four games.

On the bright side was Wednesday's three-hit shutout by Ned Garver over the Washington Senators. The Tiger hitters broke loose in the late innings to pile up a 7-0 margin.

The big test is immediately ahead. After today's vacation the Tigers move into New York for two games with the Yankees, who have taken it on the chin twice in a row from the Indians. Sunday brings a doubleheader in Boston and the trip winds up with two games in Baltimore, Tuesday night and Wednesday.

Garver's Best Form

Garver showed his best form of the young season against the Senators. He had a one-hitter going until the seventh and yielded only three singles in all — to Mickey Vernon, pinch hitter Carlos Paula and Ed Fitz Gerald.

Lefty Dean Stone suffered the loss, the second of the year against Detroit.

The Tigers' biggest inning was the seventh. Bubba Phillips led off with a single to left. Red Wilson bunted and both men were safe when Stone threw to second too late to catch Phillips. Harry Malmberg bunted for a hit and the bases were loaded.

Kaline Top Batter

Up came Garver and he laced one down the first base line out of Vernon's reach, scoring Phillips and Wilson. Then he crossed up the Nats by stealing second. Harvey Kuenn brought home Malmberg and Garver with a single into center.

Al Kaline ran his new hitting streak to 11 games with a two-run homer in the ninth. It was his seventh home run of the year.

Although Kaline's average dropped under .400 for the first time in five days, he took over the league batting lead among regular players. His average now is .390. Kuenn is a close second at .382 and then there is a 55 point drop to the third place hitter, defending batting champ Bobby Avila of Cleveland.

Flyweights Will Meet In Title Bout May 30

TOKYO (AP) —The world flyweight title rematch between Pascual Perez of Argentina and Yoshio Shirai of Japan will be May 30, the promoter said today.

Perez had asked for a postponement from May 19. He arrived Wednesday night. He won the title from Shirai last November.

Lawrence Erickson Elected President Of Eskymo Fan Club

Lawrence Erickson was elected president of the newly organized Escanaba High School Fan Club at a meeting in the Senior High last night.

Other officers elected to head the organization of adult athletic fans were Leonard Olson, vice president, and Mrs. Elmer W. Krause, secretary-treasurer.

The sale of Eskymo car stickers was approved as a means of financing activities of the Fan Club which has been organized to support Escanaba High School athletics.

The Delaware Oaks takes its name from the classic English stake for mares, first run in 1779.

Babe Ruth Tryouts Scheduled Saturday

The annual Babe Ruth League tryouts for new players will be held Saturday starting at 1 p.m. at Memorial Field.

Managers of the six Babe Ruth League teams will be on hand to watch 57 new players in action. Of that group 48 players will be selected to join the league. Players are asked to bring their own gloves, but bats, balls and catching equipment will be furnished.

The tryouts will open for 13-year-olds at 1 p.m., for 14-year-olds at 3 and for 15-year-olds at 4.

The player auction, conducted by Agent Frank Bourke, will be held at Club 314 starting at 7 Thursday night, May 19.

At the tryouts, managers will have an opportunity to judge the candidates on fielding, throwing and running abilities. Pitchers and catchers will also have a chance to show their stuff.

Teams and managers in the league are Elks Club, Bob Molloy; Paper Company, Ken McMartin and Joe Winters; Kiwanis Club Bob Pearson; L&R Sports Shop, Dale Wood and Elmer DeGrand; Labor Temple Association, Clyde Nyquist and Joe Richards, Escanaba Insurance Association, no manager.

Babe Ruth League officials announced that all players must be in full uniform this season and that any players breaking training rules will be suspended. Players will purchase their own caps this season and are to contact managers to determine the style and color for each team.

A greater emphasis will be made on sportsmanship in the league this season, a Babe Ruth League spokesman stated.

Mathews Slams Homer As Braves Shrug Off Pirates' Jinx, 8-3

MILWAUKEE (AP) The Milwaukee Braves nipped a budding jinx Wednesday by trimming the Pittsburgh Pirates, 8-3, on the batting power of Ed Mathews and Joe Adcock.

Mathews slammed a three-run homer and Adcock poked a two-run double as the Braves' topped the Pirates for the first time in five engagements this year to give 12,444 paid customers and 2,455 ladies something to shout about besides the pleasant weather.

Nichols Wins Third

Chet Nichols, Milwaukee's only unbeaten starting hurler, gave up eight hits and started two double plays as he won his third game.

Mathews' homer was his third of the year but his first at Milwaukee County Stadium this season. While Adcock's seventh inning double was his only productive hit he also had another double, a single and a walk in a perfect day.

After three straight walks by Pittsburgh starter and loser Ron Kline in the second, Henry Aaron scored Milwaukee's first run on Danny O'Connell's high bounder to short. It became 4-0 in the third when Mathews homered over the right field barrier off Kline after singles by Billy Bruton and Johnny Logan.

Groat Gets Run

The Pirates got to Nichols for a pair of runs on four hits in the sixth. A single by Frank Thomas and Jack Shepard's safe grounder off Logan's glove each scored one run. The last Pittsburgh tally came about when Dick Groat opened with a double and advanced one base at a time as Felipe Montemayor and Thomas grounded out in succession.

Score by innings:

Pittsburgh	000 002 010-3	8 1
Milwaukee	013 000 40x-8	11 1

Kline, Wade (5), Face (7) and Shepard; Nichols and Crandall L—Kline

Home Runs—Milwaukee, Mathews.

Slaughter, Sain, Herbert Are Sold To Kansas City

(By The Associated Press)

The Kansas City Athletics, grabbing wildly for a winning combination, were busiest of all major league baseball clubs in fitting their rosters into size-25 corsets before the Wednesday midnight deadline.

The A's bought outfielder Enos Slaughter and pitcher Johnny Sain from the New York Yankees and acquired pitcher Ray Herbert from Detroit and outfielder Harry Simpson from Cleveland.

Then to make room for this load of new talent, they had to ship seven men back to the minors.

Ray Kennedy, personnel manager of the A's acknowledged that the team had to dig down deep into its pocketbook to come up with these players. Herbert alone reportedly brought the Tigers $40,000.

Dixon To Denver

Kansas City threw John (Sonny) Dixon, a righthand pitcher into the Yankee deal and Dixon found himself immediately headed for Denver in the American Assn.

The outright release of 34-year-old lefthander Hal Newhouser was announced by the Cleveland Indians.

The New York Yankees also sold pitcher Art Schallock to Baltimore and sent pitcher Don Larsen to Denver of the American Assn. on option. Larsen came to the Yankees in the 18-player deal which also brought pitcher Bob Turley.

Here are some other last-minute moves by major league clubs to get within the limit (25 plus returned servicemen):

American League

Kansas City — Optioned first baseman Don Bollweg and pitcher Charley Bishop to San Diego, optioned second baseman Forrest Jacobs to Columbus and catcher Al Robertson to Portland, shipped pitchers John Gray, Marion Fricano and Ed Burtschy to Columbus for later disposition. Recalled infielder Hector Lopez from Columbus and placed pitcher Arnold Portocarrero on the disabled list.

Cleveland — Sent Joe Altobelli to Indianapolis on option.

Baltimore — Placed pitcher Joe Coleman on the disabled list, optioned pitcher Don Ferrarese to Oakland, dropped pitcher Bill Miller unassigned.

Boston — Sold reserve infielder Owen Friend and optioned pitcher Bob Smith to Louisville, sold pitcher Joe Trimble to Hollywood.

Detroit — Released Steve Souchock to Buffalo, released infielder Ron Sanford.

National League

Brooklyn — Placed pitcher Tom LaSorda on the disabled list.

New York — Asked waivers on catcher Mickey Grasso.

St. Louis — Optioned pitcher Floyd Woolbridge to Houston, first baseman Tom Alston to Omaha.

Pittsburgh — Optioned pitcher Al Grunwald to Mexico City.

Cincinnati — Optioned pitcher Fred Baczewski to St. Paul, optioned pitcher Jerry Lane to Nashville.

Philadelphia — Optioned outfielder Mel Clark to Syracuse, infielder Luis Ortiz to Seattle.

Milwaukee — Optioned pitcher Ray Crone to Toledo.

Return Of Williams May Help Attendance

BOSTON (AP) — Unpredictable Ted Williams' sudden decision to return to baseball is expected to give American League attendance a shot in the arm as well as bolster the sagging Boston Red Sox.

Williams will fly here Friday from Miami where final terms of his divorce settlement were recorded Wednesday.

The Miami Herald quoted Williams, "I'll just do the best I can, and hope I can help the club. I weigh 210 pounds (15 more than his playing weight) and I may be lousy. But the Red Sox seemed to want me, so I'm going back."

In 27 games this year Boston has played to 309,914 fans — averaging 11,564 in 17 road games and 11,325 in 10 home appearances without Williams. A year ago in the same 27 games the total was 403,872 with an average of 15,898 in 18 away games and 12,856 in nine home starts.

The question of how soon Williams will be able to play was the first asked when the announcement of his return was made.

Trainer Jack Fadden said it would be no more than two weeks for Williams to callous his hands and sharpen his reflexes.

Though terms of the contract to be signed Friday were not made public, manager Joe Cronin said Ted will not get a full year's pay.

"He will have to be paid at the rate of the contract," Cronin explained.

Williams received an amount reported between $80,000 and $100,000 annually over the past several seasons.

Television, Greedy Managers Causing Ring Sport's Troubles

By RALPH BERNSTEIN

PHILADELPHIA (AP) —What has happened to boxing in Pennsylvania? Why has Gov. George M. Leader suspended one of America's major sports in the keystone state?

The governor's action has wide significance because television has brought boxing into the homes of millions of Americans.

The immediate reason for the suspension is the fight involving Harold Johnson of Philadelphia and Cuban heavyweight Julio Mederos. Police, physicians and the Pennsylvania State Athletic Commission report that Johnson, No. 1 light heavyweight contender, was drugged before his fight with Mederos, causing his collapse after two rounds.

Two Main Troubles

Gov. Leader talked of a boxing investigation during his election campaign last fall. He was convinced something was wrong long before Johnson collapsed in his corner, glassy-eyed and practically unharmed by Mederos.

A check of leading persons in the fight game points a finger at two things: (1) television and (2) managers whose zeal for money has surpassed their regard for human dignity.

How has television hurt boxing?

A small club promoter in Philadelphia for 30 years says it has killed matchmaking. A promoter merely seeks two boys in the comparative weight classes and schedules them for a TV commitment. He'll match anything he can get. And if one boxer is injured before the fight anyone — capable substitute or not — is thrown in so the TV show can go on.

Only 300 Fans

The Johnson-Mederos match was a typical example. Johnson whipped Mederos in Miami last December. Yet, when Tommy (Hurricane) Jackson, originally slated to meet Johnson last Friday, was injured, Mederos was grabbed up as a substitute. There was little interest in a second Johnson-Mederos bout. That was shown in the attendance — 300 or 400 spectators from an area of more than two million people.

There were such other TV fiascos from Philadelphia as Johnny Saxton vs Johnny Bratton (Feb. 24, 1954) after which Bratton was fined $3,000 and suspended for 10 months for an "unsatisfactory performance;" Saxton and Kid Gavilan (Oct. 20, 1954), a welterweight title fight booed lustily by all who saw it and written about derisively for weeks by fight writers around the country; and more recently the waltz by two counterpunchers, Bobby Jones and Holly Mims.

Clique In Control

It is contended that perhaps half a dozen managers control boxing in the United States and they determine who, when, what and where in the fight business.

A noted referee named a dozen Philadelphia scrappers in similar weight brackets who might draw good crowds if they were matched. But their managers refuse to make the matches, afraid their boys might lose and be sidetracked enroute to the television big money.

Then too, the sponsors of the national fight telecasts aren't interested in local boys. They demand "name" fighters to assure a large TV audience for their commercials.

PUBLIC HEARING

TO WHOM IT MAY CONCERN:

The Forest Service of the United States Department of Agriculture proposes to build or to have built for the primary purpose of hauling timber products from the federally owned Rapid River Ranger District of the lands of the Hiawatha National Forest, the following described roads:

Project No. on the Forest Road System — F. R. #2236

Name of Road — Buckeye

Termini and Length — From the Whitefish Road (County Road #509) in Section 29, T43N, R20W, west to the West Branch of the Whitefish River in Section 26, T43N, R21W, a distance of approximately 2.5 miles.

Pursuant to Sections 3 and 10 of the Federal-Aid Highway Act of 1952 (Public Law 413, 82nd Congress, 2nd Session) a public hearing to permit interested parties to present their views as to the practicability and feasibility of such road construction will be held in the office of the District Ranger at Rapid River, Michigan at 2:00 p. m. on Thursday, June 2, 1955.

All interested parties are invited to be present or to be represented at this hearing. They will be given opportunity to express their views, preferably submitting a detailed statement in writing with a brief oral summary of it at the time of presentation. Although oral statements will be heard and recorded, it is desirable that all important facts and arguments be submitted in writing to assure accuracy of the record. Written statements may be submitted at the hearing or mailed to the Forest Supervisor, Escanaba, Michigan beforehand.

NOTICE TO BIDDERS

Sealed bids will be received by the City of Escanaba at the office of the City Clerk, Escanaba, Michigan, on or before 8:00 P. M. (EST) May 19, 1955, for the purchase of Cast Iron Pipe, Valves and Fittings for water mains.

Bids will be publicly opened and read at the council meeting to be held on said date.

Bidder's Proposals and Specifications can be obtained from the City Clerk's office. All bidders must submit their bids on the Bidder's Proposal form furnished by the City of Escanaba, and no bid will be considered unless all items on said Bidder's Proposal form are completely and correctly filled out.

A certified check (or bank draft) drawn payable without condition to the City Clerk, Escanaba, Michigan, in an amount not less than ten per cent (10%) of the bid, shall be submitted with each proposal as a guarantee that if the bid is accepted, the bidder will furnish materials or services as stated in his proposal. On failure of the successful bidder to fulfill the conditions of his proposal, he shall forfeit the deposit as agreed and liquidate damages, and the acceptance of the proposal will be contingent upon the bidder agreeing to this proviso.

Envelope containing bid to be plainly marked: "Cast Iron Water Pipe Bid, to be opened May 19, 1955", or "Cast Iron Water Main Fittings Bid, to be opened May 19, 1955".

The City of Escanaba reserves the right to reject any or all bids, and to waive any irregularities in the bidding.

GEORGE M. HARVEY,
City Clerk.
13197-May 11, 12, 13

WHEREAS, the City Manager has duly filed and submitted to this Council the annual budget as provided by the City Charter for the ensuing year;

RESOLVED, that said budget be forthwith printed for public distribution as required by the Charter.

RESOLVED, FURTHER, that, in accordance with the City Charter, the Council hereby fixes the date of May 19, 1955, at the hour of 8:00 o'clock p. m., for a public hearing on said budget as submitted and at said hearing an opportunity will be given to all persons interested therein to be heard.

RESOLVED, FURTHER, that the Clerk publish in the Escanaba Daily Press, a newspaper published and circulated in the city, a copy of this resolution once each day for a period of six days prior to the date set by the Council for the public hearing.

Ayes: Unanimous.

Passed at a meeting of the Council held April 21, 1955.

GEORGE M. HARVEY,
City Clerk.

Outlook Short On Food Grains

WASHINGTON (AP) —Early crop prospects point to possible bountiful production of feed for the nation's livestock and poultry, but to a below average harvest of food grains for humans.

An Agriculture Department crop report late Tuesday indicated production of wheat may fall short of anticipated demands. Contributing factors are federal planting controls and drought in parts of the southern Great Plains.

Good Hay Crop

But a surplus of wheat from past large crops will fill the gap in wheat production and still leave a lot in hands of the government, which acquired it in farm price support operations.

The crop report said excellent growing conditions exist in the main livestock feed grain producing areas of the Midwest. A large hay crop was said to be in the making. Large supplies of feed are essential if production of meat, dairy and poultry products are to be maintained at high levels.

But as was indicated earlier, the peach crop in southern states, where 10 million bushels were harvested last year, was almost completely wiped out by spring freezes.

Drought Big Handicap

The report said the farm outlook remains discouraging in parts of the southern Great Plains, where chronic drought persists. Crop growth in the Pacific Coast states and in much of the West was delayed by bad April weather. The report said production of spring commercial vegetables for the fresh market is expected to be larger than indicated a month ago, largely reflecting improvement in areas not severely affected by freezes in late March.

The 1954-55 season orange crop is expected to total 5 per cent more than in the previous season, with supplies to be harvested after May 1 being about one-fourth larger than last year.

The winter wheat crop was forecast at 653 million bushels compared with 791 million last year and with a 867-million-bushel average for the last 10 years. The largest rye crop since 1922 — 29,300,000 bushels — was forecast.

Washington Relic Sells For $25,000

NEW YORK (AP)—A journal of George Washington, one of America's rarest books, brought $25,000 at auction Tuesday night. It will go on display at colonial Williamsburg, Va. Mrs. John D. Rockefeller jr. provided the money.

The journal was published at Williamsburg in 1754. The colonial capital was restored largely with Rockefeller family funds as a public museum of Americana.

The book, written by Washington at the age of 21 while he was a major in the British Army, reported on his expedition to the Ohio wilderness to investigate French encroachments there.

CHANGED DATE

Actual date of George Washington's birth was Feb. 11, 1732, but his birthday now falls on Feb. 22 because of the calendar revision.

PRIZE WINNING print quality is shown in this appealing photo. The highlight area was printed in for the young miss while the thin negative portion of the dog was held back just enough. Taken by May Mirin, New York City, it won second prize in a 1953 dog photo contest.

Up To 164,595,000

WASHINGTON (AP)—The Census Bureau has estimated the nation's population at 164,595,000 on April 1.

This total was 2,833,000 or 1.8 per cent greater than a year earlier. It was an increase of 13,463,000 or 8.9 per cent, since the last census, five years ago.

KIDNEYS MUST REMOVE EXCESS WASTE

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slowdown of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Hit-And-Run Deer

BOULDER, Colo (AP) — Colorado University student Don Ehrenkrook, of Sugar Loaf, Colo., tells this story of a hit-and-run deer.

Ehrenkrook said he was driving up Boulder Canyon at night when a deer, apparently startled while drinking from the creek, attempted to flee by jumping over the car.

He said the deer smashed into the windshield, shattering it, jumped off the hood and disappeared into the hills.

Editorials—

Peninsula Airliner Service Is Still Dependent Upon Subsidy

North Central Airlines, which serves Escanaba and other larger cities of the central and western Upper Peninsula, lost $114,588 on its 1953 operations. In 1954 it had an operation profit of $170,653. This seems a leap into economic health, but the airline still is dependent upon federal subsidy. Federal subsidies are under constant inspection and pressure for elimination, as they should be. Railroads, which were subsidized by land grants in their formative years, say that federal aid to truckers by highway construction, and to airlines by subsidy, creates an unfair competion for them in their current effort to make passenger business pay.

Subsidies to the nation's airlines in 1954 cost the taxpayers $74 million. The figure for this year is down several million and it will be pared to $63 million in the next fiscal year. These figures do not include the amount which the federal government pays for air mail haul and airport construction aid. Federal compensation for carrying mail has been separated from subsidy payments since 1953 and Louis S. Rothschild, undersecretary of commerce for transportation, has recommended that subsidies to some types of air carriers be ended. Rothschild said that domestic trunklines have reached a development stage that suggests such action.

The nation's major airlines have flown more miles, carried more passengers and made more money this year than in any other corresponding period in their history and they have their best years in prospect. Such progress indicates a stability which should eventually permit them to operate without government aid, but the picture is not as encouraging yet for the smaller airlines the important feeder for the trunklines. The difference in stability of the two services is indicated in plans for next year's subsidies, only $4½ million to the trunk airlines and $25 million to the local service feeders like North Central.

The first Hoover Commission on Government Reorganization suggested that the outlook upon aviation as an "infant" industry was somewhat archaic after a generation of airline service, and saw evidence that the industry had suffered from such paternalism, but the industry, of course, has not complained.

Air service is of vital concern to the Upper Peninsula, offering the speediest link to the nation's metropolitan centers and increasing the Peninsula's intimacy with populous market areas. So while healthy railroads and good highway facilities are vital to the Peninsula's economic air service is also necessary if this area is to profit efficiently into the nation's modern pattern of business and recreation.

North Central would never have served the Upper Peninsula without a subsidy. Its operations could not have hoped to weather its beginning years, when it was developing air transport by making it available, even when insufficiently used. The hope and the expectancy is that the Upper Peninsula will eventually use air service in such volume that it will pay its own way.

Trunk line air service is the most spectacular, most used and most profitable air service, but there is a place for local service air carriers that is being realized with their expanding operations. North Central showed this last year with the Chicago Milwaukee air service. Milwaukee and Chicago, only 100 miles apart, were served by only a half-dozen daily flights by major airlines before North Central started service. Now North Central operates 32 flights daily between the two cities.

The feeder lines' problems are compounded by the present government practice of certifying them for only five year perids, instead of permanently like the trunk airlines. The uncertainty attendant upon these limited-life certificates makes the feeder lines less attractive investments than if they were permanently certified and complicate their planning. Because of the value which Escanaba and other U. P. cities gain from placement on North Central's flight service map, these are problems for the cities served, too.

Words, Wit & Wisdom

By William Morris

"Recently," writes a Windsor, Ontario, reader, "a friend and I were working a crossword puzzle in which lots of skill is needed to get the proper word. Under this heading 'something not often met with' my answer would be 'rarity' but my friend said 'raricy' was better.

"I looked in my encyclopedia and even went to the library and could find no trace of this word. Please settle this little difference of opinion."

Your friend, I suspect, was pulling your leg, for a diligent search of all manner and variety of lexicons reveals no such word as "raricy"—certainly none having precisely the same meaning as "rarity." You win the argument, for "raricy" is the ultimate in rarities—a word that simply doesn't exist.

* * *

By the way, your friend might be interested in knowing that at least one nonexistent word is handsomely enshrined in the pages of our country's self-professed "supreme authority"—the Merriam-Webster New International Unabridged Dictionary. If you look carefully through the "d" section of this great work, you will find the entry "dord n. Density."—which is the lexicographer's way of saying "dord is a noun meaning density."

The only trouble with the entry is that there is not now nor has there ever been such a word as "dord." Here's how it got into the dictionary. Many, many years ago a citation slip bearing the legend "D. or d. Density" was prepared. It signified only that the chemical abbreviation for the word density could be either a capital or small "d." Some long-forgotten compositor set the line wrong, leaving out the first period and setting "Dord" solid. Incredibly, this slipped past the proofreaders to an overzealous copy editor who slipped the "n." for "noun" into the entry—and thus, in the Merriam offices, was born the word "dord."

Research for the 1934 revision of the big book turned up the nonexistent word but the editors, in an unwontedly devil-may-care mood, decided to let it stay in the book as their own private joke. Now, though, their secret is a secret no longer and I'm told that with the next edition "dord" will be allowed to return to the oblivion whence it came.

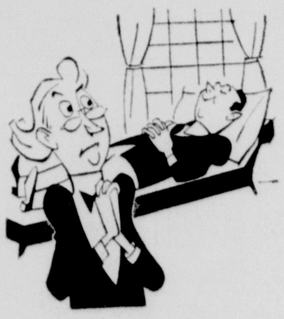
Try And Stop Me

By BENNETT CERF

A worried, twitching little man signed up for the full treatment with a prominent psycholoanalyst. On his first visit he lay on the couch for thirty minutes without opening his mouth. The second visit was a replica of the first. Halfway through the third session he finally spoke. "Say, Doctor," he inquired, "am I allowed to ask you a question?" "Ah, ha," thought the Doctor, "the floodgates are about to open!" To the patient, he said, encouragingly, "I hope you'll tell me absolutely anything that enters your mind." The patient admitted, "I'm curious to know what you charge me for every visit here." "Fifty dollars," answered the Doctor. The patient was silent again for ten minutes. Then he asked meekly, "Say, Doctor, wouldn't you like a partner?"

* * *

Juvenile thinking in the atomic age: an



11-year-old schoolboy was asked what he meant to be when he grew up. "Why should I worry about that?" replied the boy calmly. "By then there won't be anywhere to grow up in."

The Doctor Says . . .

It's Remarkable So Little Happens To The Tongue

By EDWIN P. JORDAN M.D. — Written for NEA Service

Considering the punishment the tongue takes in coming in contact with irritating substances in food, drink or in the air it is remarkable that so few things happen to it.

Q—Recently I have noticed a large black spot on my tongue which looks as though hair were growing out of it. What in the world could cause this?—J. R.

A—This is probably the condition known as black, hairy tongue. As a rule it does not cause any pain, burning or other symptoms but is noticed by the peculiar appearance. Although germs or plant growth are usually found on the area there is some doubt as to whether these cause the condition or are merely incidental. In recent years it has been found that this curious condition could be caused by sulfa-drugs, penicillin or other antibiotics and especially by some of those used as lozenges and held in the mouth for a long time. When this relationship can be shown the condition usually clears up by ceasing the use of the offending agent. The condition does not lead to the development of cancer or anything else of a more serious nature and the treatment is ordinarily aimed at clearing away the blackish hairy growth.

Q—In your discussion of gout you did not mention whether meat soups should be avoided. Would you comment on this? —R. K.

A—Meat soups contain purines as meat does itself and therefore should be avoided or eaten sparingly in the same way that one would do with meat in the presence of gout.

Q—I should like some information on erythromelalgia?—E. G.

A—This is a peculiar dilation of the blood vessels particularly in the feet coming at irregular intervals and associated with burning pain and redness of the skin. What causes it is unknown and it has to be differentiated from other conditions In many cases, rest, elevation of the extremity and local application of cold may bring relief. In more severe cases drugs or direct attack on the sympathetic nervous system (sympathectomy) may have to be considered

Today And Tomorrow

By WALTER LIPPMANN

There are those who have had great misgivings ever since April 12 about the dramatic build-up, the theatrical suspense and the spectacular publicity with which the effectiveness of the Salk vaccine was proclaimed. It was more like announcing the results of an election than the results of a scientific inquiry. The whole performance was contrary to the sprit and morale of good science, which is to be very scrupulous about not claiming, or appearing to claim, more than has been proved.

This rule was violated on April 12 not by what Dr. Thomas Francis Jr. actually said in his report but by the way the big show was staged. For while his actual report contained reservations in the fine print, the blazing publicity was bound to convey, the misleading impression that a full solution had been found of the problem of making effective vaccine for the mass immunization of the children of this country. For the public the proof that polio had been conquered was not in what was actually said in the report. It was in the elaboration of the show, the eminence of the actors, the high-powered publicity itself. The public concluded fairly enough that such publicity could mean only that the scientific experimentation had in fact been completed and concluded.

We know that the responsible authorities, both private and public, had not made sure that they could fulfill the promise which people believed had been made. The authorities could not know how large would be the available supply of the vaccine at the critical dates. For obviously they had not yet settled definitively, as the President made known in his press conference, the question of whether a shorter or a longer test of the manufactured vaccine was necessary. Not having settled that, they had not settled the critical problem of passing from the laboratory to mass production in factories. The trouble they have now run into, compelling them to recheck the factory production, proves that they allowed hopes to be raised before they had concluded the period of experimentation.

Continuing Consultation

Yet it is commonplace in the field of applied science that new technical problems are posed when a process is carried from the laboratory into the factory.In his statement on Sunday the surgeon general said that "a great deal of new information has been developed during the past ten days as the result of continuing consultation between the Public Health Service and its consultants, and between these groups and the senior technicians or industry." Is there any good and plausible reason why these consultations did not take place before the American people were invited to believe that the problems of the vacine had been solved?

* * *

The fact of the matter is that on April 12 the responsible authorities went off half-cocked. The problem of mass production had not been reliably solved, and there was, therefore, no justification for the publicity which created a mass expectation of mass immunization for this polio season.

The real situation called for at least one more season devoted to an enlarged and fully controlled experiment. It was a case where the way to make genuine progress —and to avoid lacerating the feelings of the parents of small children throughout the land—was to adhere to the strictest standards of scientific caution. The tests made last year did indeed show very promising results. But the only practical conclusion to be drawn from the tests made last year, was that tests on a bigger scale were warranted for this year. This would have meant keeping to laboratory standards before passing to the loser standards of mass production.

Foundation Responsible

It is established public policy that medical advertising shall not be misleading. It was the duty of the Federal government, and specifically of Mrs. Hobby's department, to have frowned upon and to have prevented the theatrical exploitations of Dr. Salk's work. The National Foundation for Infantile Paralysis, which sponsored the experimentation and the development of the vaccine, sponsored also the publicity attending the announcement. The Foundation has done great and necessary things in its field. But it is dependent upon voluntary popular subscription. This requires promotion and publicity which should have been kept carefully distinct from the publication of medical news.

Quite apart from the question of whether the Federal government should have asked specific legislation in regard to polio vaccine—and in view of the short supply it should have—the Federal government had a general public duty to protect the people against being misled on a burning question of public health. The consultations it has been holding in the past ten days should have been going on for months—ever since the decision was taken to manufacture the vaccine on a large scale.

* * *

I do not know why the Federal government did not assume the direction of this great public health operation as soon as enough was known about last year's tests to start the pharmaceutical firms making the vaccine. But it would seem as if the inaction of the Federal government was due in some considerable degree to theoretical misconceptions—to unexamined and false notions of the general principles of free enterprise, voluntary cooperation and decentralization—and to the strange prejudice that the only way the Federal government can assume direction and control of anything is to build up a vast bureaucracy.

Into The Past

10 YEARS AGO

ESCANABA—Of the $40,680.53 solicited in Delta county during the 1945 War Fund drive, $15,900.00 is being kept in the county to carry on work of the local Red Cross.

ESCANABA—Helen Jean Beck will be valedictorian and Mary Vardigan salutorian of St. Joseph's High School.

"Let's Play Blind Man's Buff!"

Tank Rides Out Atomic Blast; Experiment Jolts Army Tactics

YUCCA FLAT, Nev. —(NEA)— The shattering atomic blast which crashed against 57 tanks at less than two miles from ground zero did more than jolt the tanks' human occupants.

It ripped apart the old book of Army tactical doctrine, and probably will crack the administration's hope that atomic weapons will give the country a cheaper defense.

This becomes apparent as continuing results are reported from the unique test which put troops in armored vehicles exposed to a gigantic atomic burst for the first time in history.

After watching the live atomic maneuver from a few miles away and studying confidential reports on its results, Brig. Gen. Charles A. Sheldon, one of the Army's top experts on armor, and head of the Armored Combat Training Center, said:

* * *

"The test has proved that the battlefield of the future will be dominated by fast, hard-hitting armored forces. The protection of tanks and armored personnel carriers against nuclear blasts and radiation shows that the armored force is the best means of capitalizing on our own family of atomic weapons and providing defense against those of the enemy."

The ability of the exposed tank battalion to begin moving into the blast area minutes after the gigantic explosion has great significance. It means that infantry troops dug into deep trenches and foxholes are only a second-best force to face atomic weapons in the hands of an enemy.

As Gen. Sheldon and other

BRIG. GEN. CHARLES SHELDON: Armor for atomic age.

experts also point out, the test suddenly made obsolete a lot of World War II tactical doctrine. Fast armor was important then but the test has shown that in the next atomic war it will be practically everything.

The implication of the test on the defense budget is great. It confirms what experts have been discussing in secret for months: that combat units will have to be close to 100 per cent armored.

And the cost of converting to all-armored units is staggering. It could bring the Army's budget up to the Air Force's 16 billion dollars.

* * *

Gen. Sheldon was most impressed with the reports he received on the cool, efficient performance of the men in the tanks.

TWO MEMBERS OF TASK FORCE RAZOR tighten things up on their Patton tank before test of fast armor under atomic blast.

Here are notes from an observer in one tank:

Huge and impressive as a Patton tank seems on the inky black, icy desert a few hours before dawn, inside it was incredibly small and cramped. The crowding and confined positions made the time drag painfully. With two hours to go the tank was "buttoned up." The hatch was closed and tape put over the tiny glass apertures to keep the flash from blinding anyone who might be looking at them the moment of detonation.

With an hour to go, the word was given from the command tank to turn off all radios. Communications were maintained by telephone lines lying on the desert floor. When Task Force Razor moved to its objective a few moments after the shot, the lines were cut and salvaged later.

The tankers showed no sign of tension or nervousness. They revealed themselves surprisingly well-informed about the expected size of the blast—equivalent to 40,000 tons of TNT—the significance of the maneuver and on atomic weapons generally.

* * *

"O.K. now, let's get everything fastened down," ordered Pfc. Warren Dennis of Philadelphia, the tank commander. "We've got 20 minutes to go."

He put a belt around the shells filled with red jelly-like explosives stacked overhead. Then he put a heavy steel grating between the man in the turret and the driver in the seat below.

"There's obviously nothing to be worried about," said Pvt. Jack Woodell of Kent, Ohio, the man in the gunner's position, "or they'd have us on hazardous duty pay."

This brought a laugh and then there was a pause, interrupted by the incredible sound of a long snore. Cpl. John Gainer of Newark, N. J., the medic for Charley Company, had fallen sound asleep.

* * *

At five minutes before shot time, Dennis took out a check list and studied it. He swabbed grease around one of the blank shells to be fired during the maneuver. "Keeps the inside of the barrel from coating," he explained.

"Check your brakes, Cotter," he ordered. But Pfc. Bill Cotter of Philadelphia, the driver, didn't. "My gosh, he's gone to sleep too," snorted Woodell.

"Two minutes," Dennis shouted in Cotter's ear as he roused him by reaching through the protective grill.

"One minute, brace yourself," Dennis ordered.

Nobody was sleeping now and suddenly there was tension in the tank.

Then Dennis snapped out the tiny light and began counting, "ten, nine, eight . . ." repeating the count-down he heard on his earphones. At "zero" the tank was filled with a blinding white light. It came through several open slits where the armor plate was joined.

* * *

Several seconds and then the paralyzing jar. The world outside was erupting. Inside was the sensation of being exposed to an unbelievable force. There was noise, but not serious concussion.

Then sudden, deathly silence.

Woodell was the first to recover from the jolt. "Wow" was all he could say. The others were stunned speechless. But no one appeared to be injured.

Dennis switched on the light and looked at his watch. "Start the engine," he yelled to Cotter.

The tank sputtered to life with a roar, putting an end to conversation.

When it finally began moving, Dennis opened the hatches over his head. The tank was enveloped in blinding dust and the huge atomic cloud rose almost straight above. There was the roar of the other tanks moving close to ground zero and to the objective beyond.

The test has been a success and an historic experiment.

So They Say

If the Democrats work together as a team and take the issues to the people, we are certain to win in 1956.—Sen. John Sparkman (D-Ala).

The Bandung Conference shows how important it is for the U. S. to work with its allied partners on policy in the Far East.—Sen. Hubert Humphrey (D- Minn.).

Edson In Washington

By PETER EDSON

(NEA Washington Correspondent)

WASHINGTON—(NEA)—The most important background fact on President Eisenhower's latest request to Congress for aid to low-income farmers is where they are and what's wrong.

The President's special message gave only the round total that one-fourth of America's farm families have cash incomes of less than $1000 a year. A special study submitted by Secretary of Agriculture Ezra Taft Benson spelled out in more specific terms.

The figures are taken from the 1950 censue of agriculture are already five years out of date. But they show that out of the country's 5,379,000 farm families, 1,513,000 have cash income of less than $1000.

They are most concentrated in about 1000 of the 3050 U. S. counties where more than half of the farmers are dependent on the income from small, poor farms.

* * *

This makes the first approach a regional matter in these areas:

The Cascade and Rocky Mountain areas of western Washington, Oregon and Montana.

Cutover timberland of northern Michigan and Minnesota.

The mountainous, Indian country of northwest New Mexico.

The Appalachian areas of Pennsylvania, West Virginia, Virginia, Kentucky, Tennessee and the hill country of southern Ohio, Indiana and Illinois.

Then broadly the entire southeastern United States, stretching from eastern Oklahoma, Texas and southern Missouri to the Atlantic coast, taking in southern and western North Carolina and northern Florida.

One-fourth or the farmers in these areas are nonwhite. The average education is less than seven years and only one out of ten is a high school graduate.

* * *

The average farm in these problem areas is only 40 acres, compared to the 120 averaget elsewhere in the nation. Only one farm in three has a tractor. Eighty per cent of the sharecroppers are in these areas.

Nine-tenths of the farms in these low-income areas have sales of less than $2500 a year and the average value of land and buildings is less than $5000.

Except in the Mississppi delta and the Piedmont coastal plains, most of the land is hilly, eroded and poor.

County agents, farm research, conservation, modern farming methods and farm credit have not reached here.

This is, of course, no new problem. From the days of the depression through World War II, the old Resettlement and Farm Security Adminstrations tackled it. When they were dammed out of existence as "red," FHA—Farm Home Adminstration took over.

During the past 20 years the three agencies have lent over 500 million dollars to help 80,000 small farmers buy or improve family-sized farms. About half has been repaid.

Since 1946, FHA has lent about 750 million dollars to some 500,000 small farmers for equipment, livestock feed and operating expenses. Two-thirds of this has been repaid.

* * *

So far this year, FHA has lent 126 million dollars to 65,000 farmers for operating expenses. FHA has also lent or insured 27 million dollars to 3600 small farmers for land purchase. Approximately 125,000 small farmers are now using government credit supplied by the agency.

These figures indicate that there has been some improvement in the low-income situation. In 1930 it was estimated that about a third of the 6,289,000 U. S. farm families, or 2,100,000 of them, had income below $1000.

Today the total number of farms has dropped by a million and the proportion of small, low-income farms is down to a fourth.

Part of this decline represents abandonment of uneconomic farms and migration of farm workers to the cities.

Another factor that must be considered in the change is that the value of the dollar is now half of what it was.

One new situation that has developed in the past 25 years is that the number of part-time farmers and city workers who merely live in the country, but don't try to farm, has risen from a million to over a million and a half.

In addition to supplying 30 million dollars more credit, more vocational education and more extension services to all low-income farmers, the Eisenhower program calls for exploring the possibilities of finding more employment for them off the farm, to raise their standard of living.
